

CHANGE ORDER No. 4

This Change Order No. 4 to the Agreement for Services dated 03/13/2026 ("Agreement") is between Susquehanna Township School District ("Client") and Terracon Consultants, Inc. ("Consultant") for additional or changed Services to be provided by Consultant for Client on the Susquehanna Township School District - Environmental Consulting Services Project Project, as described in Agreement for Services. This Change Order is incorporated into and made part of the Agreement.

1. **Scope of Services.** The scope of the additional or changed Services is described in the Scope of Services section of Consultant's Change Order Proposal, unless Services are otherwise described below or in Exhibit B to this Change Order (which section or exhibit are incorporated into the Change Order).

Due to the failure of various air clearance samples in all elevations being remediated, Terracon mobilized for an additional four (4) site visits to conduct additional air clearance samples and visual inspections. During these additional mobilizations, Terracon collected an additional 30 clearance air samples throughout the various remediation areas. In an effort to keep the remediation moving forward, the air samples were submitted to the laboratory for a 3-hour turnaround time (TAT). The fee includes all remaining charges that were not already included in previous change orders for the Client.

2. **Compensation.** Client shall pay compensation for the additional or changed Services performed at the fees stated in the Change Order Proposal unless fees are otherwise stated below or in Exhibit C to this Change Order (which section or exhibit are incorporated into the Change Order).

Lump sum: \$9,200

All terms and conditions of the Agreement shall continue in full force and effect. This Change Order is accepted and Consultant is authorized to proceed.
