

Class of 1976 Gift

The Central Bucks High School West Class of 1976 would like to gift a bronze Buck statue as part of their 50th Golden year reunion to be placed near the Court St. Entrance of Central Bucks High School West. From the pillars to the clock tower, the Court St. entrance serves as the historical portion of the building. During graduation and other special events, the Court St. Entrance serves as a great location for photos to mark students time at Central Bucks High School West.

The Buck is the beloved mascot of Central Bucks High School West. It is deeply rooted in the many traditions of our school and community. As it is often said, once a “Buck” always “Buck.” The Class of 1976 would like to dedicate/unveil the Buck on Saturday, November 21, 2026. In addition, the Class of 1976 would like to establish a scholarship for students that will be paid through their foundation. The committee had two goals in mind in selecting the gift:

1. Accessible to the community without having to gain access to the school.
2. Meaningful to past, current, and future students alike in building school spirit.
