Objective

The Believe program provides students with the necessary skills to succeed in school and in life. Concepts addressed vary by grade level but include topics such as developing and applying social and emotional learning skills for decision making, self discipline, conflict resolution, anger management, and respect for self and others. The Believe program helps students develop greater discipline, confidence, and refusal skills; which enables students to effectively process adversity, stress, anxiety, loss, and rejection; increasing their knowledge of the immediate consequences of their decisions; and enhances cognitive and behavioral competency to reduce and prevent a variety of health risk behaviors.

Program Goals

- Build report with the students
- Create safe and positive environment for open conversation on discussion topics
- Teach students new ways of handling their daily tasks, challenges, and obstacles
- Show students how to process their emotions, handle adversity, and believe in themselves

Program Implementation

- 10 to 20 students per group
- Each group will receive 10 lessons total, one lesson per week
- 8 Total Groups - 2 Facilitators - Start 3rd Period 9:27am & End 6th Period 12:48pm
- Invoice submitted monthly for estimated sessions to be completed
- Checks can be made to Jon Breeden Enterprises
