Dr. Heffler noted DASD is maintaining its digital approach, hosting the student handbooks on a "live site" rather than using traditional paper-printed books.

Mr. Pierce expressed concern about moving away from BoardDocs (current policy maintenance platform) where all DASD policies reside. He noted all links in the student handbooks will need to be updated so that they route to the new policy platform, effective 7/1/26. Dr. Heffler assured him the links will be updated.

Dr. Heffler shared the student handbooks are open for board review over the next month, with a final vote scheduled for the 6/11 Board Meeting.

Minutes

Mr. Rohrbaugh provided an overview of Resolution #2026-03 authorizing the Homestead-Farmstead Exclusion, which provides a real estate tax assessment reduction for qualified property owners for the school year beginning July 1st, 2026. He noted eligible homeowners will receive a tax credit in the amount of $238.08 with total funding for the program increasing by about $9K from the previous year. He shared DASD added 41 new properties to the Homestead-Farmstead list this year. Mr. Rohrbaugh emphasized that this program serves as the ideal vehicle for property tax relief because the savings are directed specifically to local residents who own a single property within the county, rather than corporations or private businesses. He reminded the board that this will be an action item at the 6/11 Board Meeting.

9.f. Fund Balance Designations as of 6/30/26 - Mr. Rohrbaugh

- Will be an action item at the 6/11 Board Meeting.

He noted based on current budget actuals, DASD is projecting a surplus of just over $300K which will be added to the overall fund balance. Mr. Rohrbaugh highlighted two major categories within the assigned fund balance:

- Capital Projects: Set at approximately $4.9 million.
- Healthcare Reserve: This account holds the district's healthcare reserves, which can be drawn upon if the district faces overruns or higher healthcare costs.

Mr. Rohrbaugh reminded the board these designations will be presented for approval at the 6/11 Board Meeting.

He reminded the board that this will be an action item at the 6/11 Board Meeting.

9.h. Bank Depositories for 2026-27 Fiscal Year - Mr. Rohrbaugh

He noted First National Bank has been added to the list as a potential secondary investment vehicle due to their competitive interest rates. He added he has been investigating First National Bank for the last year and one half. He shared DASD will continue to utilize PSDLAF (*Pennsylvania School District Liquid Asset Fund*) as its primary investment vehicle. First National Bank will serve as a supplemental option to maximize investment returns. He reminded the board that this will be an action item at the 6/11 Board Meeting.

She highlighted the meeting discussion centered on closing out the current school year, addressing graduations, handling staffing needs, and summer preparations for the 2026–2027 school year. Mrs. Aubel also presented the York Learning Center Joint Operating Authority (JOA) Report which highlighted the recent meeting of the 13 member school districts. At this meeting they agreed to move forward with the necessary preparatory work for an upcoming renovation project at the York Learning Center. She noted the authority received verbal notification from Northeastern School District that they intend to formally withdraw from the JOA. The authority will issue an official response to this request at its September meeting. Mrs. Aubel added she believes withdrawing is a mistake for Northeastern School District, noting it could negatively impact their taxpayers and, most importantly, their special needs students.

9.l. York Adams Academy Report - Mr. Wingard

Mrs. Aubel presented for Mr. Wingard, who attended the meeting via Zoom. She noted YAA's recent meeting focused on closing out the current fiscal year, setting up preparations for the upcoming school year, and finalizing the final budget approval. She added YAA celebrated a historic achievement by graduating its 5,000th student, marking 5,000 individuals over the years who were given a second opportunity to earn their diplomas. She thanked the board for their continued support of the program. She announced YAA's graduation ceremony is scheduled for May 27th at the York Learning Center. All board members are invited to attend.

Minutes

Mr. Granholm highlighted 2026-27 DASD student enrollment at YCST is expected to be 177 students, which includes 43 newly accepted students from this year. He added capacity remains the program's biggest hurdle and there are currently 55 DASD students on the waitlist. He noted across all participating districts, there is a massive total of 675 students on the waitlist trying to get into the school. Mr. Granholm emphasized that most

of these students will unfortunately not be admitted as open seats become increasingly rare as the school year approaches.

Attachments

9.n - YATB Meeting Minutes - 4.27.26.pdf

9.n - YATB Operating Fund Excess Income Refund - 4.27.26.pdf

Minutes

Mr. Anderson presented the York Adams Tax Bureau report noting a focus on automation and efficiency. He added the bureau has heavily focused on automation to reduce manual form processing and this has successfully lowered administrative costs for member districts, bringing the tax collection cost down to an incredibly low 1%. He noted to further improve processing speed and efficiency, the board voted to mandate electronic filing for employers of specific sizes. This prevents large payroll companies from submitting massive paper forms by mail, which will continue to save the districts money. He shared because the bureau functioned below its budget for the past year, surplus funds were returned to member districts. DASD received a refund of just over $50,000 this month. Mr. Anderson also reported the bureau successfully completed two independent financial audits with zero findings, proving total compliance and proper fund management.

Minutes

Mr. David Noyes and Mrs. Michelle Noyes, York Township residents, both spoke regarding their positive experiences with DASD and their son, Ryan, a high school freshman who uses a wheelchair due to a physical disability. They shared personal experiences highlighting how DASD staff consistently go beyond legal requirements to foster true inclusion, accessibility, and emotional support. They expressed appreciation for specific staff who fostered Ryan's passion for video production and ensured a school club trip to Tampa was fully accessible, and teachers who intentionally tailored adaptations so Ryan could participate comfortably alongside his peers. They recognized DAHS Assistant Principal Dr. Chad Bumsted, who personally handled classroom accessibility runs, anticipated needs, and took immediate action regarding a bullying incident. They thanked staff who quickly addressed physical barriers by installing sidewalk ramps, painting accessible parking spaces, and securing accessible transportation for away games. They expressed appreciation for athletic trainers and staff who used a utility vehicle to transport Ryan to the softball field so he could assist his dad (the JV head coach). They highlighted how athletic staff negotiated with Hershey Arena to get Ryan floor-level seating so he

could sit directly with the student section. Mr. and Mrs. Noyes thanked the board for maintaining a top-down culture of genuine inclusivity and urged them to continue fostering and recognizing staff who back up policy with meaningful action.

13. BOARD COMMENTS / CORRESPONDENCE

Minutes

Mr. Anderson shared he had the pleasure of attending the Honors Engineering and Design presentation, the Orchestra Concert, and the DAEF Scholarship Ceremony. He thoroughly enjoyed all three events. He announced he will miss the June meeting but gave his full support in advance for the budget. He noted that while it won't fund every wish list item, it sustains all existing programs and maintains excellence without a tax increase. He added it stands out positively compared to neighboring districts which are facing budget shortages.

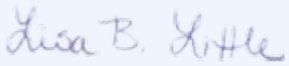

Mr. Pierce shared that he also attended the DAEF Awards Ceremony and echoed praise for the scholarship event, noting he was highly impressed and motivated. He specifically highlighted how hearing the same teachers' names credited repeatedly was a strong testament to the dedication and work of the faculty.

Each annual evaluation shall be in writing. The written performance assessment will be conducted no later than May 31 (or another date depending upon the District's evaluation cycle and as mutually agreed upon by the Board and Dr. Doll). The Superintendent's performance relating to whether or not the Superintendent met his objective performance standards will be posted on the District's website. No other information regarding the Superintendent's performance evaluation shall be posted on the District's website. Dr. Doll's performance shall be deemed satisfactory, and Dr. Doll shall not be subject to discipline, discharge or termination on the basis of neglect of duty or incompetency in any year when a formal performance assessment is not completed in accordance with this Agreement.

5. Benefits Package.

a. In addition to the benefits specified in this Agreement, Dr. Doll shall be entitled to the fringe benefits as are applicable and made available to the District's Principals, Assistant Principals, Directors, Supervisors, and Miscellaneous Positions as set forth in the District's Act 93 Compensation Plan pursuant to Section 11-1164 of the Public School Code, as amended ("ACP"). Should the ACP be amended during the Term of this Agreement, the applicable fringe benefits contained in the ACP shall be applicable to Dr. Doll as of the effective date of the amendment, unless otherwise stated in this Agreement. Unless otherwise indicated, per diem payments shall be calculated based upon a 260-day work year.

i. It is understood, however, that even though Dr. Doll's benefits package is linked to the ACP, the following provisions will not be applicable in the ACP to Dr. Doll:

(a) Term.
(b) Rate of compensation.
(c) Payment added to base salary for unused personal days.
(d) Work schedule.
(e) Act 93 administrators' starting salaries and salary ranges.

b. Work Responsibilities. Notwithstanding any modification to the ACP, Dr. Doll's responsibilities are such that his schedule will need to be a flexible one and he is authorized to work remotely, subject to the Board President approving such requests in writing for valid reasons within his or her exclusive discretion. Notwithstanding the foregoing, Dr. Doll is expected to complete all necessary District work, attend required District-related events, ensure the proper operation of the District to the satisfaction of the Board, and to be present for enough hours to provide the necessary leadership to the administrative staff and accessibility to the District community. As a general principle, it is understood that Dr. Doll's presence is an important example for the central administrative staff and the entire District community.

c. Technology. Notwithstanding any modification to the ACP, Dr. Doll shall be entitled to receive a Smartphone mobile phone device, an iPad, and a laptop computer all with wireless capabilities and related service and data plans to be used for official business purposes in accordance with District policy. Due to the nature of Dr. Doll's responsibilities and schedule with the District, it will not be a violation of any District Policy or this Agreement for Dr. Doll to reasonably use, for personal use, District-issued equipment, technology and electronic resources such as computers, email, phone, internet service, and the like.

d. Expense and Mileage Reimbursement. Notwithstanding any modification to the ACP, the District shall fully reimburse the Superintendent for all reasonable expenses incurred by the Superintendent in the discharge of his duties, upon proper documentation submitted to the Director of Business Operations of the District and approved by the Board President. This shall include reimbursement for mileage associated with the use of the Superintendent's private vehicle in the performance of the Superintendent's duties, which said reimbursement shall be based on the current mileage allowance as established by the Internal Revenue Service ("IRS"), as the same may be changed or modified from time to time by the IRS. Such expense reimbursement costs shall be estimated for budget purposes and approved by the Board in accordance with Board policy and procedures.

e. Vacation Leave. The Superintendent shall carry forward in this Agreement and be credited on June 11, 2026 with all of his days of unused vacation leave accrued during his employment with the District, which can reflect a proration as the result of not having a full year of service during the 2025-2026 school year. The District shall provide Dr. Doll with twenty-five (25) days of vacation leave per year of this Agreement, which shall be credited in full on July 1 of each year of this Agreement.

f. Unused Vacation Leave. On June 30 of each year of this Agreement, the District shall redeem each day of unused vacation leave available for the full school year in question, up to a maximum of 16 days, at his per diem rate, which shall be calculated by dividing the Superintendent's then-current gross annual salary by 260. The full redemption amount for the sixteen (16) unused vacation days shall be deposited as a non-elective employer contribution to the account established for the Superintendent in either the 403(b) tax sheltered annuity plan or the Section 457 plan; provided, however,

that the timing and amount of such contributions shall be subject to any restrictions imposed by law. Any accrued but unused vacation leave which is not redeemed pursuant to this Paragraph will be carried forward for use in subsequent years. In the event that Dr. Doll separates from his employment at or before the end of the Term of this Agreement for any reason except his termination for cause in accordance with Section 1080 of the Public School Code, 24 P.S. §10-1080, the District shall redeem all of the Superintendent's unused days of vacation leave at the Superintendent's then-current per diem rate for each day of unused vacation leave. Such redemption amount for unused vacation leave at retirement shall be made in the form of a non-elective employer contribution into a 403(b) plan for the Superintendent. If the redemption amount exceeds the contribution limits under Section 415(c) of the Internal Revenue Code, the excess shall be contributed in subsequent years until such payment is fully made, subject to the limitations of the Internal Revenue Code. There is no cash option for such payments for unused vacation leave.

g. Holidays. The District Superintendent shall receive all holidays available to District administrators covered under the ACP.

h. Sick Leave. The Superintendent shall carry forward in this Agreement and be credited on June 11, 2026 with all of his days of unused sick leave accrued during his employment with the District, including sick leave transferred from previous public school employment. It is understood that over the time period of June 11, 2026 through June 30, 2026, the amount of unused sick leave will be prorated as it represents less than a full school year. The District shall provide Dr. Doll with twelve (12) days of sick leave per year of this Agreement, which shall be credited in full on July 1 of each year of this Agreement. Unused days of sick leave shall be cumulative without limit and may be supplemented at the discretion of the District.

i. Waiver of Unused Sick Days Payout. Notwithstanding any provision of the ACP or any other agreement to the contrary, Dr. Doll hereby expressly waives all rights to any and all payout, redemption, or exchange for accumulated and unused sick leave at the time of his retirement or resignation from the District. This waiver shall apply to any annual exchange or redemption of unused sick days and to any retirement payout of accumulated sick leave that would otherwise be payable under the ACP or any prior agreement. For the avoidance of doubt, Dr. Doll shall not be entitled to any payment, contribution, or other compensation of any kind with respect to unused sick days, whether during the Term of this Agreement on an annual basis or upon retirement or separation from employment.

j. Personal Leave. The Superintendent shall carry forward in this Agreement and be credited on June 11, 2026 with all of his days of unused personal leave accrued during his employment with the District. It is understood that personal leave may be prorated for the time period of June 11, 2026 through June 30, 2026 as the result of not having a full year of employment. The District shall provide Dr. Doll with four (4) days of personal leave per year of this Agreement, which shall be credited in full on July 1 of

each year of this Agreement. Days of personal leave awarded each year pursuant to this provision will not be accumulated from year to year.

k. Membership Dues, Fees, and Continuing Professional Development. The District agrees to pay for membership dues, fees, and continuing professional development to permit Dr. Doll to have relevant and significant opportunities for professional development with organizations or entities that could provide Dr. Doll with information and methodologies that will improve the quality of education in the District. These membership dues, fees, and continuing professional development opportunities shall include three professional associations as selected annually by Dr. Doll, and such other organizations that the Board President may preapprove. Notwithstanding the importance the District attaches to Dr. Doll's participation in such professional development opportunities and involvement with professional organizations and study councils, it is understood that Dr. Doll's engagement in these activities will not interfere with Dr. Doll's ability to act as Superintendent of the District and the duties of the Superintendent of the District.

l. Continuing Education. The District shall pay the full cost for all continuing education courses including but not limited to related fees and materials taken by the Superintendent during this Agreement, provided that such courses are approved in advance by the Board.

m. 403(b) Plan Contributions. In addition to Dr. Doll's salary, on or before June 30 of each year of this Agreement, the District shall make non-elective employer contributions to Dr. Doll's 403(b) Plan in an annual amount equal to four percent (4%) of Dr. Doll's then-current gross annual salary. There is no cash option for such contributions.

n. Retirement Medical Insurance Benefits. In the event that Dr. Doll retires from the District and accepts retirement benefits from the Pennsylvania Public School Employees' Retirement System ("PSERS"), the District shall provide comprehensive medical insurance benefits, including hospitalization, physician services, major medical, prescription drug coverage, vision, and dental coverage, for Dr. Doll and his spouse as of the date of execution of this Agreement (hereinafter "Eligible Spouse") until Dr. Doll reaches Medicare eligibility. In the event that Dr. Doll predeceases his Eligible Spouse prior to reaching Medicare eligibility, the District's obligation to provide medical insurance benefits to the Eligible Spouse shall continue until such time as the Eligible Spouse reaches Medicare eligibility. Dr. Doll, or his surviving Eligible Spouse, shall contribute Three Thousand Dollars ($3,000.00) annually toward the combined premium costs of such medical insurance coverage until Medicare eligibility is reached.

o. Suspension of Post-Retirement Health Care Coverage. Notwithstanding the foregoing, Dr. Doll's right to receive post-retirement health care coverage pursuant to Paragraph 5.n of this Agreement shall be suspended if, after his retirement from the District, he accepts full-time employment elsewhere and as a result becomes eligible to obtain health care coverage, including hospitalization, physician services, major medical, prescription drug, vision, and dental coverage, that is equal to or

exceeds that offered by the District. In the event that such subsequent employment terminates or Dr. Doll otherwise becomes ineligible for such coverage, the District's obligation to provide post-retirement health care coverage shall be reinstated for the remainder of the applicable period set forth in Paragraph 5.n.

p. Applicable Taxes on Post-Retirement Healthcare Benefits. The Superintendent shall be solely responsible for the payment of applicable taxes, if any, stemming from his receipt of post-retirement healthcare coverage benefits provided under Paragraph 5.n of this Agreement.

6. Waiver of Right of Sabbatical Leave. The Superintendent waives any rights that he may have to a sabbatical leave for professional development; provided however, the Superintendent does not waive his right to a sabbatical leave for restoration of health pursuant to the Public School Code.

7. Duties of Dr. Doll. Dr. Doll agrees to perform well and faithfully the duties required by the Board for the position of Superintendent and to do so in accordance with applicable law, including but not limited to the Public School Code, and shall further perform such duties as set forth in the job description of the Superintendent, a copy of which is attached hereto, made a part hereof, and marked Exhibit "B." Without the written consent of the Superintendent, the Board shall not reassign the Superintendent to any other position in the District. The Superintendent shall have the exclusive administrative authority and the responsibility to make recommendations for the assignment and evaluation of all District personnel, as well as the administrative authority to recommend the organization of the District's central and business administration organizational structure, including position titles, subject to Board approval. The Superintendent also shall have the exclusive administrative authority and responsibility to recommend the hiring of all professional and non-professional staff, including cabinet level administrators, subject to Board approval and District policy involved in the administrative hiring process. It is understood that the Superintendent's authority to make such recommendations shall be limited by the requirements of law and Board policy, which may change from time to time.

8. Loyalty and Outside Work or Opportunities. Dr. Doll shall devote the Superintendent's time, attention, knowledge, and skills solely and exclusively to the business and interests of the District. The Superintendent may, however, undertake compensated or uncompensated consulting work, speaking engagements, adjunct teaching, writing, and other professional services as set forth herein so long as: (1) such work does not materially interfere with the discharge of the Superintendent's duties and responsibilities hereunder; and (2) the Superintendent receives preapproval from the Board through the Board President to engage in such activities and consultancies.

9. Election as District Superintendent. Dr. Doll's election as District Superintendent is subject to the provisions of the Public School Code and its amendments thereto.

10. Seat on the School Board. Dr. Doll shall have a seat on the Board and its committees and shall have the right to speak on all matters before them, but not to vote.

11. Representation of Dr. Doll. Dr. Doll represents that, at all times during the Term of employment, he will have a duly issued and valid certificate (i.e., Letter of Eligibility) to act as District Superintendent in the Commonwealth of Pennsylvania and agrees to provide a copy thereof to the District, upon request. Dr. Doll agrees to promptly notify the District if the foregoing representation is no longer true and correct during any period during the term of employment.

12. Separation from Employment. In the event that Dr. Doll seeks to resign or separate his employment with District prior to the expiration of the Term of this Agreement for any reason other than death, illness, disability, or retirement permanently from public service in the Commonwealth of Pennsylvania, Dr. Doll shall give the Board of the District at least one hundred twenty (120) days' written notice in advance of the employment severance date. The failure of Dr. Doll to give such required written notice shall cause Dr. Doll to lose any entitlement to any unused vacation days, other payments, benefits, or any other entitlement to be paid upon employment separation whether it be through Board policy or pursuant to the ACP except as otherwise approved in writing by the Board.

13. Discharge and Termination. Dr. Doll may be discharged, and this Agreement terminated, even during the Term of this Agreement, under Section 1080 of the Public School Code, 24 P.S. §10-1080. The Board shall not arbitrarily or capriciously call for his dismissal and the Superintendent shall, in any event, have the right to written charges, notice of hearing, all elements of due process, and the right to appeal to a court of competent jurisdiction. The Superintendent shall have the right to be represented by counsel at his sole cost and expense. In the event that the Superintendent was to be discharged from employment, the Agreement shall be terminated with no additional compensation or benefits provided except for any unpaid and accrued payments or benefits in accordance with this Agreement.

14. Disability. Dr. Doll shall not be terminated due to disability, notwithstanding any provision of this Agreement to the contrary, unless a licensed medical doctor, from the list of the Workers' Compensation panel of physicians approved by the District, certifies that Dr. Doll is permanently disabled in a manner that renders him unable to perform the essential functions of his position with or without reasonable accommodation for a period of more than three (3) consecutive months beyond all sick leave to which Dr. Doll is entitled under this Contract or otherwise including sabbatical leaves of absence for restoration of health. In addition, the parties agree that Dr. Doll has not waived any rights under state or federal law and is expressly entitled to such rights to non-discriminatory treatment under state and federal law.

15. Early Separation by Mutual Agreement. The Board and Superintendent may mutually agree to sever the Superintendent's employment prior to the expiration of the Term of this Agreement. In such event, the District shall pay the Superintendent the compensation that he has earned or accrued under this Agreement through the date of

his separation, including any applicable post-employment and retirement benefits, and any additional compensation mutually agreed upon by the Board and Superintendent, not to exceed any limitations set forth in the Public School Code of 1949, as amended.

16. Death During Employment. If the Superintendent shall die during the Term of employment, the Board shall pay to the surviving spouse or if no surviving spouse to the estate of the Superintendent the compensation which otherwise would be payable to the Superintendent up to the end of the month in which the Superintendent's death occurs and any accrued and unpaid expenses or benefits, to the extent permitted pursuant to Pennsylvania Probate Law. Thereafter, the Board shall have no further responsibilities hereunder, and this Agreement shall terminate automatically. The provisions hereof shall not be deemed to affect any other benefits, which may be available to the Superintendent, his spouse and heirs, including, but not limited to, those available under applicable retirement programs, health insurance, workers' compensation, or otherwise, to the extent permissible under Pennsylvania Probate Law.

17. Board/Superintendent Relationships and Referrals to Superintendent. The Board and the Superintendent shall meet annually to review and agree on the process and procedures for how they will continue to work together and communicate. The Board, collectively or individually, shall use its best efforts to promptly refer to the Superintendent all criticisms, complaints, and suggestions called to their attention relative to the Superintendent or the District for the Superintendent's study and recommendation. This provision shall not be deemed to provide for the referral of matters to the Superintendent where the Board deems it inappropriate to do so. Failure to comply with this provision will not be a basis for finding a violation of this Agreement.

18. Provisions in Accordance with School Code. This Agreement shall not be in violation of any provisions of the School Code and shall be construed as containing and be read in conformity with all provisions of the School Code as it relates to the relationship between a "District" and its "Superintendent."

19. Compliance with Agreement. Dr. Doll and the District and Board shall be required to comply with all aspects of this Agreement, any exception thereto being agreed to only by mutual written consent of the Board and Dr. Doll.

20. Entire Agreement. This Agreement contains the entire agreement between the parties and may not be changed, amended, modified, or superseded, except by written instrument executed by the parties hereto. This Agreement supersedes any and all other agreements between the parties hereto with respect to the subject matter hereof, including without limitation the Employment Agreement dated March 16, 2023.

21. Execution and Counterparts. This Agreement may be executed in two or more counterparts, each of which, when executed by the parties, shall be considered to constitute one instrument.

22. **Possible Illegalities.** If any one provision of this Agreement shall be declared void or invalid by a court of competent jurisdiction, such void or invalid provisions shall not in any way impair the whole Agreement; the remaining provisions shall be construed as if not containing the provisions or provision held to be void or invalid, and the rights and/or obligations of the parties shall be construed and enforced accordingly.

23. **Enforcement of Agreement.** This Agreement shall be governed, construed, and interpreted in accordance with the laws of the Commonwealth of Pennsylvania and any headings contained in this Agreement are for reference only and shall not in any way affect the meaning or interpretation of this Agreement. Each and every provision of this Agreement has been mutually negotiated, prepared, and drafted and in connection with the construction of any provision hereof, no consideration shall be given to the issue of which party actually prepared, drafted, or negotiated any provision of this Agreement or its deletion.

24. **Duty to Defend.** The District shall defend Dr. Doll and his heirs against any civil actions, claims, suits, and/or other legal proceedings brought against Dr. Doll, in his individual capacity or in his official agent and employee capacity of the District, specifically as the result of Dr. Doll's actions within the scope of his duties as Superintendent of the District, as well as the result of any directive issued by the Board of the District. The District agrees to indemnify and hold harmless Dr. Doll and his heirs and to pay any civil judgments or awards entered against Dr. Doll or his heirs as the result of Dr. Doll's actions within the scope of his duties as Superintendent of the District, as well as the result of any directive issued by the Board of the District. The District will not be obligated to defend Dr. Doll in any discharge or removal proceedings against Dr. Doll. This section shall survive the term of this Agreement.

25. **Reappointment.** The District shall notify the Superintendent in writing by certified mail, no later than ninety (90) days prior to the expiration of this Agreement of the Board's intent not to reappoint him. Should the Superintendent not be so notified, the Superintendent shall be reappointed at the next regular Board meeting following the ninety (90) days' notification requirement for a term of one year, and the terms and conditions of this Agreement shall be incorporated into a successor Agreement unless mutually agreed otherwise by the Board and the Superintendent.

IN WITNESS WHEREOF, intending to be legally bound, the parties have hereunto set their hands and seals the day and year first above written.

RESOLVED BY THE BOARD OF DIRECTORS OF THE DALLASTOWN AREA SCHOOL DISTRICT, that the final budget is adopted and taxes are levied for school purposes for the school year beginning July 1, 2026, subject to the provisions of the Local Tax Collection Law, School Code, and other applicable law, as follows:

SECTION 1: Real Estate Tax. The Real Estate Tax rate is hereby established at 25.6861 mills ($2.56861 tax per $100.00 of assessed valuation) on the assessed valuation of all taxable real estate situate within the Dallastown Area School District, York County, Pennsylvania ("District") for school purposes.

SECTION 2: Interim Real Estate Tax. Interim Real Estate Tax rate is hereby established at 25.6861 mills ($2.56861 tax per $100.00 of assessed valuation) on the assessed valuation of taxable real estate situate within the District for school purposes, as stated in interim real estate assessment notices, that constitutes construction of a building, an improvement to a building, or other improvement to real property, not otherwise exempt from taxation. The interim real estate tax is part of the real estate tax levy, and applies to the assessed value of taxable real property not included in the initial tax duplicate used in issuing real estate tax notices for the school year. Tax assessors are directed to inspect and assess all taxable real property in the School District to which any improvement has been made, and to give notice of change in assessed value as required by law. The interim real estate tax applies for that proportionate share of the School District fiscal year remaining after the property was improved.

SECTION 3: Payment.

3.1. The real estate tax is payable on July 15, 2026, and this will be the date of the notice issued to the owner for the real estate other than interim real estate tax. Unless installment payment has been elected under the Dallastown Area School District Installment Payment Plan, the real estate tax is delinquent if not paid by November 16, 2026, for tax other than the interim real estate tax.

b. The above installments shall be due on or before September 15, 2026, October 15, 2026, and November 16, 2026 of the school year in which the tax is levied. The unpaid installments shall not be considered delinquent if paid on or before the respective dates.

c. Payment of the first installment in full by September 15, 2026, will constitute an election by the taxpayer to pay the property tax owed by the taxpayer in installments.

d. A taxpayer electing to pay property taxes in installments shall not be entitled to any discount on any installment payments.

e. A penalty of ten percent (10%) will be added to each delinquent installment.

f. Payment of the balance of tax owed plus applicable penalties must be made by December 31st of the school year in which the tax is levied or the outstanding amount will be turned over to the appropriate authority for delinquent collection of property taxes.

c. The aggregate number of approved homesteads and approved farmsteads is 10,291.

SECTION 3. Real Estate Tax Reduction Calculation. The School Board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the paragraph 1 amount available during the school year for real estate tax reduction of $2,432,522.21 by the Paragraph 2(c) aggregate number of approved homesteads and approved farmsteads of 10,291 (before considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead and farmstead exclusion amount), the preliminary calculation of the maximum real estate tax reduction amount applicable to each approved homestead and each approved farmstead is $236.36.

Based on calculations provided by the School District Business Office from the best available information, considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion and the farmstead exclusion amount, an additional aggregate amount of $17,329.67 will be available during the school year for real estate tax reduction applicable to approximately 10,186 homesteads and farmsteads, resulting in an additional real estate tax reduction amount available for each homestead and farmstead of $1.72. Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of $236.36, the final maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is $238.08.

SECTION 4. Homestead exclusion calculation. Dividing the paragraph 3 maximum real estate tax reduction amount of $238.08 by the School District real estate tax rate of 25.6861 mills, the maximum real estate assessed value reduction to be reflected on the tax notices as a homestead exclusion for each approved homestead exclusion is $9,269, and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is $9,269.

SECTION 5. Homestead/farmstead exclusion authorization – July 15 tax bills. The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the homestead, or (b) the paragraph 4 maximum real estate

assessed value reduction of $9,269. The tax notice issued to the owner of each approved farmstead within the School District shall reflect a farmstead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the farmstead, or (b) the paragraph 4 maximum real estate assessed value reduction of $9,269. For purposes of this Resolution "approved homestead" and "approved farmstead" shall mean homesteads and farmsteads listed in the report referred to in paragraph 2 above and received by the School District from the County Assessment Office on or before May 15 pursuant to Act 1, 53 P.S. §6926.341(g)(3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 5 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 15, and will not apply to interim real estate tax bills.

AND RESOLVED FURTHER, that the Dallastown Area School District administration and officials shall take any and all action necessary to carry out the intent of this resolution.

RESOLVED this 11th day of June 2025.

WITNESSETH:

WHEREAS, THE DISTRICT and the predecessor to THE DEPARTMENT together entered into a prior agreement to provide similar services to those provided herein, and that agreement and any other prior agreements collectively "Prior Agreements") are hereby terminated by agreement of the parties upon entry into this present agreement;

WHEREAS, THE DEPARTMENT has an existing full-time police department which is sufficiently manned and equipped to properly provide regionalized police service to nearby municipalities and communities; and

WHEREAS, DISTRICT is contiguous, adjacent or in close proximity to THE DEPARTMENT's zone of police service coverage; and

WHEREAS, DISTRICT is desirous of contracting for and obtaining the services of THE DEPARTMENT;

WHEREAS, THE DEPARTMENT is willing to supply and the DISTRICT is willing to contract for and utilize THE DEPARTMENT's Regional Police Department services; and

WHEREAS, the parties desire to enter into a new contract, which is this document.

NOW, THEREFORE, with intent to be legally bound hereby and in consideration of the mutual promises contained herein, the parties hereto agree as follows:

GENERAL TERMS AND CONDITIONS:

1. Basic Service. THE DEPARTMENT shall provide three (3) School Resource Officers in the DISTRICT in accordance with the Memorandum of Understanding, which shall be marked Exhibit "A", made a part hereof and incorporated by reference into this Agreement.

   To the extent that the DISTRICT has any concerns with the SRO(s), they will be transmitted in a timely manner to THE DEPARTMENT, following which the parties will discuss those issues and attempt, in good faith, to address them efficiently and effectively.

2. Records of Services Rendered. A record of services provided to the DISTRICT by THE DEPARTMENT shall be kept by THE DEPARTMENT and shall be provided to the DISTRICT on a monthly basis.

3. Annual Cost for Services. DISTRICT shall compensate THE DEPARTMENT in the annual based amount that is equal to 75% of THE DEPARTMENT's police protection unit (PPU) cost.
   a. The 2026-2027 annual cost for the SRO services provided hereunder shall be $389,522.00.
      This cost shall increase/decrease on an annual basis at the same percentage by which the annual PPU cost increases or decreases for those parties being billed by THE DEPARTMENT on a PPU Basis. Subsequent annual PPU cost changes will be applied thereafter each contracting year on an annual basis. THE DEPARTMENT shall provide the DISTRCT notification of the subsequent annual cost changes for any future years of this Agreement, or any renewal term of this Agreement, no later than thirty (30) days prior to the written notification of termination deadline required by Paragraph 9 below.
      THE DEPARTMENT SRO service hours purchased hereunder shall be roughly allocated as follows:
      a. 4,700 (1,566.66 per SRO) hours of traditional SRO (3) police services to include administrative time that is related to the preparation, review and approval of reports for and supervision of the SRO, court time related to the SRO and the DISTRICT, required training to maintain the officers Pennsylvania police certification and attendance at the National and Pennsylvania SRO conferences annually, and attendance at DISTRICT school board meetings, as requested.

THE DEPARTMENT shall work in good faith with the DISTRICT to provide SRO Services as closely to the estimates provided herein. In calculating the above SRO Service hours, SRO time spent on administrative or traditional police services for matters unrelated or only tangentially related to the DISTRICT and DISTRICT activities shall not be included. The parties agree that the DISTRICT has paid in full for all SRO services provided pursuant to Prior Agreements, through the conclusion of the 2025-2026 school year.

4. Increase in Service. The Department shall not provide any increase in the number of service hours provided during the course of this Agreement absent, an addendum to this Agreement signed by both parties and shall include a requirement that written notice be given prior to any change in the additional hours. The amount of time for the notice shall be mutually agreed to at the time that the addendum is placed into effect. The parties hereby acknowledge that School Resource Officer hours may fluctuate for each quarterly billing period (as set forth below) given the uncertainty of the assignments and incidents that may occur at the DISTRICT. In the event the hours allocated hereunder in a given quarterly billing period exceed the purchased hours, such that continuing at that rate will exceed the purchased hours for the year, the DISTRICT acknowledges that THE DEPARTMENT may reduce, in a mutually agreed manner, the daily hours allocated to the School Resource Officer services hereunder to provide the agreed annual number of hours purchased. In order to reach a mutual agreement on the schedule for reducing the SRO hours, the parties agree to meet and discuss the manner in which hours will be adjusted for the remainder of the year. Alternatively, the DISTRICT may also request from THE DEPARTMENT the purchase of additional hours at the established rates for that year to provide a level amount of School Resource Officer hours, and such request shall not be unreasonably denied by THE DEPARTMENT.

5. Billing the DISTRICT. THE DEPARTMENT shall bill the DISTRICT one quarter of the annual cost of service on September 1, December 1, March 1 and June 1 of each year. The DISTRICT shall pay the bill within thirty (30) days of receipt.

6. Special Events Coverage. In addition to the SRO services provided herein, the DISTRICT may request THE DEPARTMENT to provide additional policing services. The DISTRICT shall determine when special event coverage is required and request policing coverage from THE DEPARTMENT in writing at least two

(2) weeks prior to the event. The written request shall include a description of the event, number of people attending, number of officers requested and hours of service. Upon receipt of the request, THE DEPARTMENT shall determine if it has the manpower available to provide the requested police coverage. The DEPARTMENT shall, at its sole discretion, determine if Special Event police coverage shall be provided to the DISTRICT.

The DISTRICT shall provide at least seventy-two (72) hours' written notice of the cancellation of any event. The DISTRICT shall be responsible for any costs and expenses incurred by THE DEPARTMENT in the event timely notice of cancellation is not provided. The DISTRICT shall compensate THE DEPARTMENT for each officer providing Special Event Police Coverage officers requested, at THE DEPARTMENT's Overtime rate for each officer. There shall be a two-hour minimum request for special events.

7. Insurance. THE DEPARTMENT hereby covenants and agrees to furnish insurance coverage on its personnel and equipment for all times said personnel and equipment are in the DISTRICT or acting on behalf of the DISTRICT pursuant to this Agreement in the same form and amount as that maintained by THE DEPARTMENT for police operations in all municipalities it serves.

8. Inability to Render Services and Backup Services. In the event that unusual requirements in THE DEPARTMENT or elsewhere interfere with the delivery of police services in the DISTRICT, THE DEPARTMENT shall, during such period of time, not be required to offer services to the DISTRICT. THE DEPARTMENT will, in any event, facilitate backup services to the DISTRICT to the extent that DISTRICT has such agreements with other communities. Neither the hours when services are not given nor the facilitation of services from other communities shall be included within the calculation of SRO Service hours pursuant to section 3, above.

9. Terms of Agreement and Termination of Same. The term of this Agreement shall be for a period commencing **07/01/2026** and ending midnight on **6/30/2028**, and shall continue for successive one-year terms, unless or until

D. Legal Authority

1. The parties make this agreement as required by Article XIII-A of the Public School Code of 1949, popularly known as the - Safe Schools Act, as amended, 24 P.S. §§ 13-1301-A-13-1313-A.

In determining whether a health or safety emergency exists, the School Entity may take into account the totality of the circumstances pertaining to a threat to the health or safety of a student or other individuals. If the School Entity determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records to the Law Enforcement Authority, if knowledge of that information is necessary for the Law Enforcement Authority to protect the health or safety of the student or other individuals. The School Entity must record the articulable and significant threat to the health or safety of a student or other individuals so that it can demonstrate to parents, students and the Family Policy Compliance Office [1] the circumstance led it to determine that a health or safety emergency existed and why the disclosure was justified.

E. Priorities of the Law Enforcement Authority

1. Help the School Entity prevent delinquent acts through preventive measures, including referrals to support services, diversionary programs, restorative practices, school-wide positive behavior supports, education and deterrence.

Re: Non-Parent Support Proofs and Renewal Reminder

Dear District Resident,

As a district resident serving in the capacity of a non-parent adult supporting a child without legal guardianship ("gratis"), Dallastown Area School District (DASD) would like to remind you of the annual renewal process. This renewal is scheduled to occur in June/July in preparation for the upcoming school year.

To maintain compliance with the legal requirements of a 1302 Guardianship agreement, you will be required to provide proof that you are supporting the child(ren) as if they were your own. This includes evidence that you are claiming the child(ren) as dependents or providing alternative documentation to verify the gratis support arrangement.

This may include, but is not limited to:

- Claiming the child(ren) as dependents on your tax return.
- Substantiating proof of dependency, such as documentation of government support or income directed to you on behalf of the child(ren).
- Evidence of medical insurance coverage for the child(ren) under your policy.

Additionally, a 13-1302 Residency and Non-Parent Support/Guardianship Affidavit Renewal, **which must be notarized**, must be completed and submitted with the proof(s) of support.

Obtaining and submitting this proof is a straightforward process that ensures uninterrupted access to a DASD education for the child(ren) under your care. Please submit proof(s) and renewal affidavit to enrollment@dallastown.net.

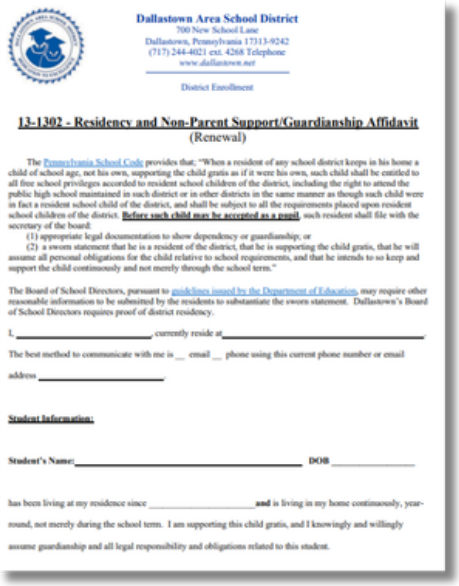

Thank you for your attention to this important matter. Should you have any questions or require assistance, please do not hesitate to contact our office at (717) 244-4021.

PLANNING SESSION #1

The JOC held a public planning meeting at 6:00 to discuss two agreed upon topics voted on by the JOC in April. The first topic discussed was if the board wanted to explore a policy that would limit the annual tuition increase to the average adjusted index of the member districts. The JOC discussed the recent budget and concerns regarding the initial budget increase, the budget being voted down, and needing to send the budget out for vote a second time. The same budgetary process was followed in which the JOC reviewed the budget in September, October,and then November for final approval. The budget was shared with the York County Superintendents and Business Managers in October. The original budget voted down by the member districts included the JOC's plan to increase the bus fleet by four buses per year for three years. The concluding JOC guidance was the tuition increase should be limited to the average adjusted Act 1 Index of the member districts. However, the method of limiting the budget could be through Board Policy or Administrative Regulations. The advantages and disadvantages of implementation through policy and regulations were discussed. While a final decision on the method to limit the budget is to be determined, the consensus was that the next budget will be developed with the index limitation. The second topic discussed was shared JOC/Authority Board Governance. Solicitor Litts discussed the roles and responsibilities of both the JOC and the Authority. He reviewed questions posed from the Dover Area SD. He reviewed the need for an authority and why the authority was initially established. He also discussed different types of fund balances and board policies relating to fund balance.

PLANNING SESSION #2

The student organizations included SkillsUSA, Health Occupation Students of America (HOSA), Technology Student Association (TSA), and Family, Career and Community Leaders of America (FCCLA). NOCTI Update: Mr. Loehwing shared results from the NOCTI testing that took place March 27 & 30. The 2026 goal for Advanced and Competent was 90%, and the final score was 91.1%. The Advance goal was 70% and the school scored 68%. He also shared the goals for the 2026-27 school year.

The CIR team completed over fifty classroom walk-throughs and interviewed teachers and students as part of the review. The results were shared with the JOC which highlighted the school being commended for its curriculum writing work over the last three years.
