8. ACTION ITEMS

8.A. RETIREMENT: PERSONNEL ACTION AND AGREEMENT

Motion passed. This motion, made by John Hamme and seconded by Chad Deardorff, Carried.
Chad Deardorff: Yea, Christina Dugan: Yea, Todd Gettys: Yea, John Hamme: Yea, Shawn

Harlacher: Yea, Jeanne Herman: Yea, Daniel Rice II: Yea, Jamye Shah: Yea
Yea: 8, Nay: 0
Director Herman acknowledged that Dr. Davies will be missed. She appreciated that everything he had done was done with purpose and in the District's best interest.

9. DISCUSSION ITEMS

9.A. CONTRACTS / AGREEMENTS
Ms. Jacoby presented the Liberty University contracts and Ms. Holman presented the Commonwealth University of PA MOU and the LIU12 ECYEH Program LOA.

9.B. ESTABLISHMENT OF AN ASSESSMENT COMMITTEE
Ms. Holman presented that the District is requesting the establishment of an Assessment Committee. The first task of the Committee will be to finalize a new Board Policy 605.1 using a draft that has been provided to the District. Vice President Hamme and Director Deardorff both indicated interest in being on the new committee. Vice President Hamme shared that with the economic pressure on the District, the District's assessment revenue appears to be low, and establishing this committee and a new Board Policy will assist with bringing assessment in better alignment.

9.C. LEAD TESTING
Ms. Holman shared that the District has consistently, over the last several years of testing, recorded very low lead levels. As a result, we are not recommending additional testing at this time. Should the time come that we feel testing is warranted, we will resume testing.

9.D. ARTIFICIAL TURF SWEEP
Ms. Holman shared that discussions at the latest Facilities meeting concluded that we are not in need of the Artificial Turf Sweep.
The Utility Terrain Vehicle and the field groomer will keep the artificial turf in shape.

9.E. BASEBALL FIELD UPDATES
Ms. Holman shared that the District will be requesting approval of fencing ($4,000) and stone removal ($9,000), as well as the moving of the existing bleachers to make them closer to being ADA compliant. These costs are covered by the current construction fund. Director Herman asked about the area in right field that was fenced in and now the fencing is gone, as it had been determined the area was a sinkhole. Ms. Holman shared that the fencing came down as a result of the Township determining it was not a sinkhole. Director Gettys asked about the leveling of the outfield and requested that the topic be added to the next Facilities agenda. Director Deardorff, Facilities Board Chair, indicated he would have it added to the next agenda.

9.F. UTILITY TERRAIN VEHICLE
Director Deardorff inquired about the approximately $1,000 in freight charges and during discussion it was confirmed that the freight charges are for the delivery of the vehicle from the manufacturer to the local dealership, not the cost of the delivery of the vehicle from the dealership to our facility. The cost is covered by the construction funds and was a known piece of equipment needed to care for the facility. The quote from Don's Kawasaki will be on the September 15 agenda for Board approval.

9.G. OTHER MATTERS

President Rice shared that during a Committee of the Board meeting held prior to the Work Session, the Board identified four additional questions to have the applicants complete by noon on Friday, September 11. At the September 15 Board Meeting, the Board members will vote on the final candidates to invite for in-person interviews at the Board Meeting on September 22, where the final candidate will be selected and sworn in.

10.I. APPOINTMENT: SAFETY AND SECURITY COORDINATOR

11. COMMITTEE REPORTS

11.A. BUDGET & FINANCE COMMITTEE (Gettys)

Director Getty's shared that the first meeting is on October 13. Depending on when the auditors may be wrapped up, we may want to look at some insurance reviews; it's been a while since we've done that for our coverages.

11.B. COCURRICULAR COMMITTEE (Rice)
President Rice shared that the first meeting is scheduled for September 15th. We have a lot of great things happening, and we are looking at the field usage and the teams.

11.C. COMMUNICATION AND ENGAGEMENT COMMITTEE (Shah)
Director Shah indicated that the first meeting is scheduled for October 20.

11.D. EDUCATIONAL PROGRAMMING COMMITTEE (Hamme)
Vice President Hamme shared that the first meeting was held earlier this evening. The Committee reviewed various trainings currently planned such as Structured Literacy, CRP/AED, etc. We also reviewed the HMH Trial, as well as Middle School curriculum impacts with schedules around Social Studies and Exploratories. The next meeting is November 10.

11.E. FACILITIES COMMITTEE (Deardorff)
Director Deardorff shared that there is a bi-weekly meeting with the construction team tomorrow and there will be more to share at the September 15th Board Meeting.

11.F. FOUNDATION FOR THE WYASD (Dugan)
Director Dugan spoke about the upcoming Harlem Wizards Basketball fundraiser event and the need for volunteers and sponsors.

11.G. WELLNESS COMMITTEE (Dugan)
Director Dugan shared that the first meeting is scheduled for September 24.

11.H. WEST MANCHESTER TOWNSHIP RECREATION COMMITTEE (Harlacher)
Director Harlacher shared that at the last meeting, he provided them with our construction update.

11.I. YORK COUNTY SCHOOL OF TECHNOLOGY (Gettys) and YCST AUTHORITY (Gettys)
Director Gettys shared that at the last YCST meeting, they discussed a curriculum review and rolled out participation levels as they are still having excessive wait lists. Next month they will have a breakdown by majors, students applied/accepted, etc. by school district. President Rice asked about whether YCST is looking at the impact of AI on their classes and what they are offering. Director Gettys shared that they have an Advisory Council looking at it. They are going to establish goals for their Executive Director - CTE for juniors and seniors in member districts. This will move slower than districts would like, but it's on the radar.

Director Gettys shared that there hasn't been a meeting of the YCST Authority.

11.J. YORK ADAMS ACADEMY (Rice)
President Rice shared that, with so many pulling together to support Dr. Mancuso at Eastern York SD, the York Adams Academy canceled their scheduled meeting.

11.K. YORK/LIU JOINT AUTHORITY (Gettys) and LIU BOARD (Gettys)
Director Gettys shared that there is a meeting later this month for the York/LIU Joint Authority. Preliminary project approvals from most districts were received and will be finalized next month. This will be a 3–4 year project.

Director Gettys shared that the LIU Board shared about the Health Center Partnership and services for county employees and other public community entities. Possibly something for us to look at as well.

WITNESSETH:

WHEREAS, the University is a unit of higher learning of the State System of Higher Education of Pennsylvania; and

WHEREAS, the Legislature has determined by *Act 188 of 1982* that the primary mission of the State System of Higher Education of Pennsylvania is to provide high quality education at the lowest possible cost; and

WHEREAS, the mission of the State System of Higher Education is to provide undergraduate instruction, and opportunities for personal growth consistent with the legislated mission of the System; and

WHEREAS, certain students in the District may benefit from the opportunity to take classes offered by the University while enrolled in high school; and

WHEREAS, the University wishes to develop an Early College Program to recruit outstanding high school students to the University student body, and

WHEREAS, the District wishes to make certain undergraduate courses offered by the University available to the students of the District; and

WHEREAS, the District and the University desire to describe the features, purposes and mechanisms of the relationship by which the parties will establish a relationship in a collaborative arrangement; and

WHEREAS, this Agreement is intended to function as a collaborative agreement in accordance with said Board of Governors Policy 1999-02.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained herein, the parties hereto mutually agree and agree as follows:

1. Term. This Agreement shall be effective upon the review and approval of all the necessary parties and Commonwealth officials and in effect as of the date of the last signature. The term of this agreement shall be for a total of three (3) years commencing upon the review and approval of all necessary parties and Commonwealth officials. The agreement will be reviewed at the conclusion of each year, including the ability to suggest recommended changes that satisfy the interests of the District and the University. At the conclusion of the agreement's third year, the parties, at their mutual option, may extend this agreement for another subsequent period of time not to exceed two additional years.

2. Academic Suitability. The suitability of any course for the program will be determined by agreement between the District and the University on a course-by-course basis. The District will also determine, on a student-by-student basis, the suitability of a course for each of the District's students who wish to enroll in the course.

3. Enrollment. Students must meet the minimum guidelines established by the Early College office. When endorsing a student for the Early College program, please consider the student's character, integrity, and maturity to increase the prospect of success in the program. Students selected by the District for enrollment in an Early College Program course will be enrolled as non-degree students at the University. In order to aid the enrollment of the District's students, the District will provide, without cost to the University, the documentation necessary to the students' enrollment. This includes confirmation from the school counselor attesting to the academic preparedness of the student for college-level course(s). Each student will have to apply to the University for non-degree status.

4. Semesters and Sessions. Students selected by the District may enroll in online courses, hybrid or blended courses, and/or face-to-face courses under this agreement during both the academic year and the summer and winter sessions as non-degree University students. Enrollment is on a space-available basis.

5. Regular Admission. Early College students who are eligible for admission will be automatically reviewed and conditionally admitted to the University. Any other student from the District who wishes to become a fully matriculated undergraduate student upon graduation from high school must follow the normal application process. All students must meet admission criteria for Commonwealth University generally and for any admission criteria specific to the academic program the student is seeking to enroll in. Certain majors, including many in the health sciences, have additional admissions requirements. Tuition reductions described in paragraph 7 do not apply once a student enrolls in the University outside of this consortial arrangement under this Agreement.

6. Transcription of Courses. Courses offered under this agreement will be transcripted in the same manner as other courses offered by the University. Students may obtain official transcripts of their coursework from the Office of the Registrar.

7. Fiscal Issues. The University will offer courses to the District's students at a single, reduced rate for enrollment, inclusive of tuition and fees. Fees included in the rate exclude the usage of the Recreation Center and Student Health Centers on all campuses of Commonwealth University. The student will be responsible for the following fees:

a) The Early College/dual enrollment program will be at a reduced rate of 75% off of the in-state tuition cost, which is limited to students of the District.

b) University withdrawals and refunds will be handled under the University's refund policy.

8. Class Size. Certain minimum class size enrollment may restrict access to desired courses. The University reserves the right to set course enrollment size.

9. Rights, Privileges, and Responsibilities. Students registered as non-degree students at Commonwealth University under this agreement will have use of the library, and other academic resources. The Early College students will not have access to the Recreation Center or Student Health Center on any campus of Commonwealth University. All Commonwealth University policies and procedures, including, but not limited to, academic policies and student discipline policies shall apply.

10. Family Educational Rights and Privacy Act. All Parties shall agree to keep confidential all personally identifiable student information from educational records provided as set forth in the Family Educational Rights and Privacy Act and its implementing regulations, 34 CFR CH. 99 ("FERPA"). The following requirements shall apply:

a) All data shared between the University and the District is considered confidential and cannot be disclosed or re-disclosed to any other third party, except as provided below:

   i. The School District and University may exchange information on the student.

   ii. Information on the student should only be shared within the School District entity with District officials who have a legitimate need to view the information to verify or audit the qualifications of the student to participate in this program at the University.

   iii. If the student is under 18, the parents still retain the rights under FERPA at the high school and may inspect and review any records sent maintained by the School District.

   iv. The University may disclose personally identifiable information from the student's education records to the parents, without the consent of the eligible student, only with the student's written consent or if the student is a dependent for tax purposes under the IRS rules.

b) For all other sharing purposes not described herein, the University will require students to sign a specific FERPA release.

11. Liability. Neither of the parties shall assume any liabilities to each other. As to liability to each other for death to persons, or damages to property, the parties do not waive any defense as a result of entering into this agreement. This provision shall not be construed to limit the Commonwealth's rights, claims, or defenses, which arise as a matter of law pursuant to any provisions of this agreement. This provision shall not be construed to limit the sovereign immunity of the Commonwealth, the State System of Higher Education, or the University.

12. Insurance. As an agency of the Commonwealth, public university and state instrumentality, there is no statutory authority for the University to purchase insurance. Instead, the University participates in the Commonwealth' s Tort Claims Self-Insurance program administered by the Bureau of Finance and Risk Management of the Pennsylvania Department of General Services.

13. Amendment. This Agreement may be amended at any time upon the mutual written agreement of the parties hereto, with said amendments to be executed by the duly authorized representatives of the parties and with the same formality as this agreement.

14. Termination. This agreement may be terminated by either party upon 120 days written notice. Said notice to the University shall be sent to the President. Said notice to the District shall be sent to the Superintendent of the District.

15. Choice of Law. This Agreement is executed pursuant to and shall be construed under the laws of the Commonwealth of Pennsylvania.

16. Entire Agreement. This is the entire Agreement between the parties hereto and supersedes all prior negotiations and oral understandings between the parties hereto.

IN WITNESS WHEREOF, the President of the University and the Superintendent of the District by their signatures do hereby put this agreement in force.
