NORWIN SCHOOL DISTRICT

RESTATED SECTION 125 PREMIUM ONLY CAFETERIA PLAN AND CASH-IN-LIEU OF HEALTH COVERAGE PROGRAM

Effective January 1, 2026

ARTICLE I. PURPOSE AND ESTABLISHMENT

1.1 Establishment. Norwin School District (the "District" or "Employer") hereby restates this written cafeteria plan under Section 125 of the Internal Revenue Code (the "Code"). The Plan is intended to permit eligible employees to elect pre-tax salary reductions for their required share of premiums for eligible District-sponsored healthcare coverage, and to administer the District's authorized cash-in-lieu of health coverage program per the applicable health care benefit plans and as described below. This restatement is intended solely to memorialize, clarify, and continue existing Section 125 premium-only and cash-in-lieu arrangements and does not by itself create any new employee benefit, compensation entitlement, or cash-in-lieu program.

1.2 Intent. The Plan is intended to satisfy Code Section 125 and applicable Treasury regulations. It shall be interpreted and administered consistently with that intent and with the governing terms of the underlying insurance or benefit arrangements.

1.3 No Guarantee of Tax Treatment. The District intends the salary-reduction feature to receive the federal tax treatment available under Code Section 125, but individual tax consequences may vary and are not guaranteed by the District.

ARTICLE II. PLAN INFORMATION

Employer / Plan Sponsor	Norwin School District
Principal Address	281 McMahon Drive, North Huntingdon, PA 15642
Plan Year	July 1 through June 30
Effective Date of Restatement	January 1, 2026
Plan Administrator	Norwin School District, acting through officials designated by the Board of School Directors

ARTICLE III. ELIGIBILITY AND PARTICIPATION

3.1 Eligible Employees. Regular employees who are eligible to participate in the District health insurance program may participate, subject to applicable collective bargaining agreements, individual employment contracts, Board policies, the terms of the underlying health plan, and District administrative procedures.

3.2 Commencement. An eligible employee may begin participation when permitted under the applicable enrollment rules, including initial eligibility, annual open enrollment, or a permitted mid-year election-change event.

3.3 Cessation. Participation ends when the employee ceases to be eligible, terminates employment, fails to make a required election, or coverage otherwise ends under applicable plan terms.

ARTICLE IV. BENEFITS OFFERED

4.1 Premium-Only Benefit. An eligible employee may elect to reduce compensation by the amount required to pay the employee share of premiums for eligible District-sponsored health coverage on a pre-tax basis. The District will apply elected salary reductions toward the applicable premium obligation.

4.2 Taxable Cash Alternative. To the extent an employee does not elect an available qualified benefit under this Plan, compensation otherwise payable remains taxable compensation, subject to the District's compensation and benefit rules.

4.3 Cash-in-Lieu of Health Coverage. An employee who is otherwise eligible for District-sponsored health coverage may elect to waive that coverage and receive a cash-in-lieu payment only if the employee satisfies all eligibility, proof-of-other-coverage, collective bargaining, and District requirements applicable to that program. Cash-in-lieu payments are taxable compensation unless applicable law provides otherwise.

4.4 Underlying Benefit Plans Control. This Plan does not create insured coverage or expand rights under an underlying health plan. If this Plan conflicts with an underlying benefit plan on coverage terms, the underlying benefit plan controls as to that coverage, while this Plan controls the tax-election mechanism to the extent permitted by law.

ARTICLE V. ELECTIONS AND SALARY REDUCTION

5.1 Election Timing. Elections must be made before the beginning of the period of coverage to which they apply, except when a new eligibility event or a permitted mid-year election change allows a later election.

5.2 Election Method. Elections shall be made through forms, electronic systems, or other procedures designated by the Plan Administrator. The election authorizes the District to reduce compensation and apply the reduction to the elected qualified benefit.

5.3 Irrevocability. Elections are generally irrevocable for the Plan Year except as permitted by Code Section 125 regulations and the Plan Administrator's procedures.

5.4 Automatic Continuation. The Plan Administrator may establish reasonable annual enrollment and carry-forward procedures, provided they comply with applicable law and are communicated to participants. District records and the applicable enrollment materials will determine whether a new affirmative election is required.

ARTICLE VI. MID-YEAR ELECTION CHANGES

6.1 Permitted Changes. The Plan may permit an election to be revoked or changed during a Plan Year when allowed under applicable Section 125 rules, including qualifying changes in legal marital status, number of dependents, employment status, dependent eligibility, residence or worksite affecting eligibility, loss or gain of other coverage, and other events recognized by applicable law.

6.2 Consistency and Documentation. Any requested change must satisfy applicable consistency requirements and must be supported by documentation reasonably requested by the Plan Administrator.

6.3 Timing. Requests must be submitted within the period established by the Plan Administrator and any applicable underlying benefit plan. Changes will take effect prospectively or as otherwise required or permitted by law.

ARTICLE VII. CASH-IN-LIEU PROGRAM

7.1 Eligibility. The District may provide a cash-in-lieu benefit to an otherwise health-coverage-eligible employee who voluntarily waives District-sponsored health insurance and provides proof of other group health coverage meeting District requirements.

7.2 Amount. The amount and payment schedule shall be the amount lawfully authorized by the Board, collective bargaining agreement, employment contract, or other controlling District action applicable to the employee.

7.3 Annual Verification. The District may require annual recertification or other documentation of alternative qualifying coverage as a condition of continued eligibility.

7.4 Loss of Other Coverage. An employee who loses the alternative coverage supporting a waiver must promptly notify the Plan Administrator and may request enrollment in District coverage if permitted by applicable law and plan terms.

7.5 Tax Treatment. Cash-in-lieu amounts will be treated as taxable compensation unless the District determines, based on applicable law, that different treatment is required.

ARTICLE VIII. ADMINISTRATION

8.1 Authority. The Plan Administrator shall have authority to interpret the Plan, determine eligibility, apply election procedures, require documentation, correct administrative errors, maintain records, and adopt reasonable procedures consistent with the Plan and applicable law.

8.2 Delegation. Administrative responsibilities may be delegated to District officials, Business Office or Human Resources personnel, payroll staff, insurers, and third-party benefit administrators.

8.3 Records. Elections, waivers, supporting documentation, and payroll implementation records shall be maintained in accordance with the District's lawful recordkeeping practices.

ARTICLE IX. NONDISCRIMINATION AND COMPLIANCE

9.1 Nondiscrimination. The Plan is intended to be operated in compliance with applicable Section 125 nondiscrimination requirements, including rules applicable to highly compensated participants and key employees. The District may modify elections or take other lawful corrective action when reasonably necessary to maintain compliance.

9.2 Applicable Law. This Plan shall be administered in accordance with the Code, applicable Treasury regulations and IRS guidance, and other federal or state law applicable to the District and the benefits offered.

ARTICLE X. AMENDMENT, TERMINATION, AND MISCELLANEOUS

10.1 Amendment or Termination. The District reserves the right to amend or terminate this Plan at any time, subject to applicable law, collective bargaining obligations, and vested or accrued rights, if any.

10.2 Severability. If any provision is determined invalid or unenforceable, the remaining provisions shall continue in effect to the fullest extent permitted by law.

10.3 No Employment Contract. Nothing in this Plan creates a contract of employment or alters the District's rights or obligations under applicable employment law, collective bargaining agreements, or employment contracts.

10.4 Governing Documents. This Plan should be read together with Board action adopting the restatement, applicable collective bargaining agreements and employment contracts, enrollment materials, and the underlying health plan documents.

RESTATEMENT

The Norwin School District Board of School Directors approves this Restated Section 125 Premium Only Cafeteria Plan and Cash-in-Lieu of Health Coverage Program effective January 1, 2026, subject to the terms of the adopting resolution.
