Wayne Memorial
Community Health Centers

WMCHC's Mobile School-Based Health Center

Meeting students where they are by bringing accessible, integrated health care directly to the school environment.

School-Based Health Centers are a collaboration and shared commitment among a school, health care organization and a community

Wallenpaupack School District

Wayne Memorial Community Health Centers

Mobile School Based Health Center

Students & Families

Community

What brought the Mobile School Based Health Center *to fruition?*

Increased communication with the school district surrounding need for medical excuses pertaining to absences

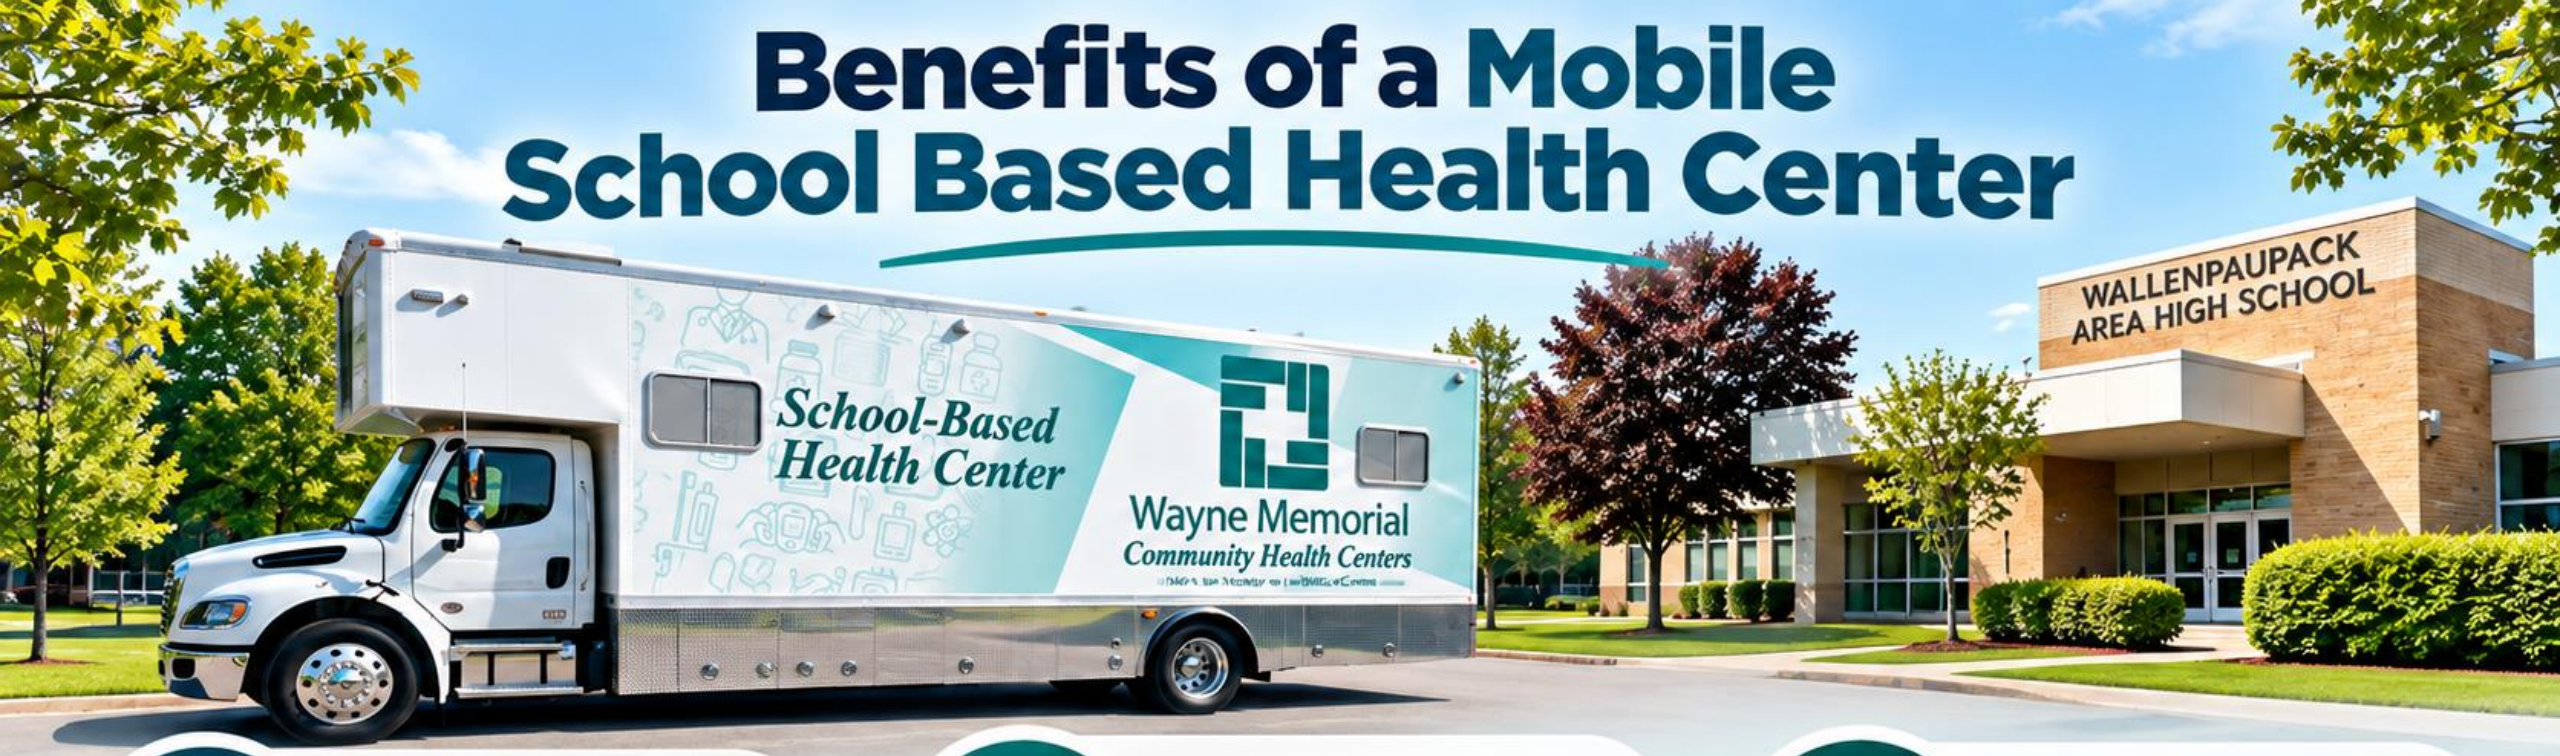

Students not meeting state requirements for physicals and dental exams

New access point for the Wayne Memorial Community Health Centers

Grant opportunities in the local area to support the initiative

Benefits of a Mobile School Based Health Center

- Reduces barriers to care
- Improves access for underserved children and families
- Addresses missed school time
- Supports early identification of health concerns
- Creates a connection between students and a medical home
- Better connections to ongoing care

Wayne Memorial
Community Health Centers

FQHC Integration Model

The Mobile School Based Health Center is not a stand-alone clinic, it is an extension of Wayne Memorial Community Health Center's:

Clinical Infrastructure:
Medical, Dental, Behavioral Health

Care Management and Community Resources

Referral Network

- Medical Care
- Dental Services
- Behavioral Health

- Care Management
- Community Resources
- Referral Network

Wayne Memorial

The Partnership

School

- Connects Students & Families
- Helps Coordinate Access
- Supports the school environment

WMCHC

- Provides Clinical Care
- Manages medical operations
- Coordinates foilow-up

Families

- Provides consent
- Communicate health needs
- Participates in their child's care

The School's Role

- Identifying a designated location
- Student identification and/or referral
- Parent/Guardian communication
- Consent process
- Assist students getting to and from the mobile unit
- School calendar coordination
- Emergency communication when needed

Patient/Student Flow

1. Parent/Guardian provides consent

2. Student is scheduled/ referred

3. Student is escorted to the Mobile Health Center

4. WMCHC Clinician delivers care and documents within the EHR

5. Parent/Guardian receives appropriate follow-up information

6. Continued care through referrals or follow up appointments are coordinated between WMCHC and the Parent/Guardian

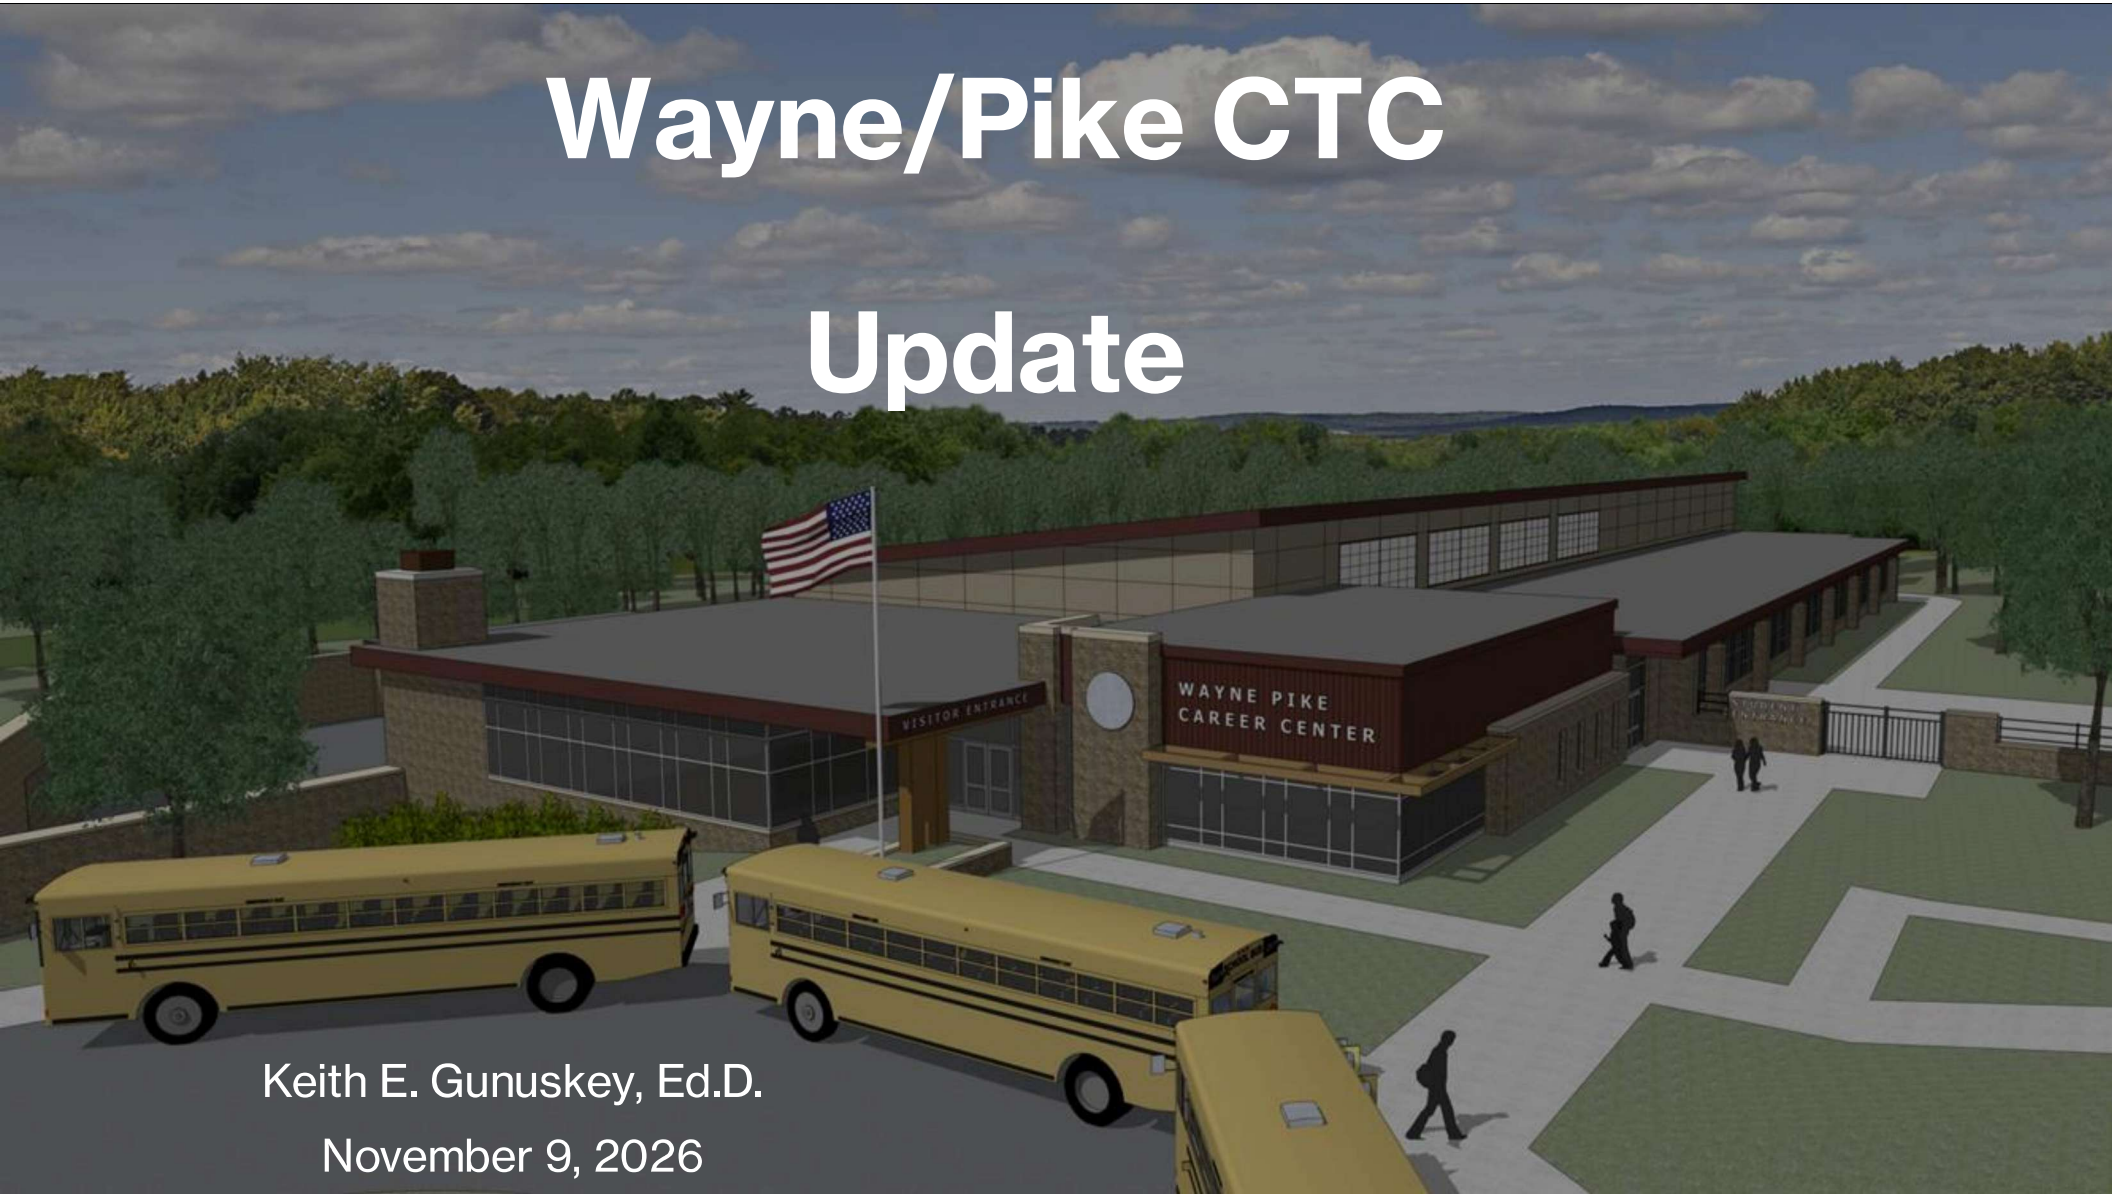

Questions?

We welcome your questions.

Wayne/Pike CTC
