16.A. Public Comment

Description:

During this portion of the meeting, the public may make comments on items of concern or other matters involving the school district. As with the earlier public comment session, please wait to be recognized by the presiding officer before speaking. Once acknowledged, announce your name, group affiliation (if applicable), municipality, and the topic you wish to address. Each speaker is allotted up to three minutes. If you are speaking on behalf of a group with a common topic, we encourage you to designate a single spokesperson.

While you will not be interrupted during your comment, please adhere to our meeting rules. Direct your comments to the Board and focus on issues or policies rather than individuals. Comments that are profane, defamatory, or irrelevant may be interrupted or terminated. We value your input and will carefully consider all feedback.
