Laurel Area School District Superintendent Performance Evaluation

OVERVIEW BY THE PENNSYLVANIA SCHOOL BOARD ASSOCIATION

Evaluation of the district superintendent is a critical responsibility of the board of school directors. Effective evaluations begin during the selection process. PSBA suggests that the board work to develop strong selection criteria that represent the current and anticipated needs of the district at the time of hire. However, finding the right candidate for your district is only the first step in moving the district in a direction consistent with the vision of the Board. Boards should continuously monitor the superintendent in a number of key areas, including her/his ability to achieve annually determined desired outcomes for the district. According to researchers Orlikoff and Totten, the purposes and benefits of an effective evaluation process include:

- Linking compensation to CEO (Chief Educational Officer) performance and providing an objective basis for recognizing and rewarding excellent performance
- Focusing the CEO's activities on the organization's (district's) mission and strategic plan
- Providing a mechanism to assess how effectively the CEO has implemented board policies and decisions
- Providing a basis for future CEO performance expectations
- Facilitating coordination and teamwork among the organization's leadership
- Creating a formal system for CEO professional and personal development
- Communicating board expectations of the CEO
- Establishing parameters for CEO performance that enable the board to retain, provide constructive feedback regarding CEO professional and personal performance, and if necessary, quickly and appropriately terminate the CEO

This evaluation tool allows boards to evaluate CEO performance by considering professional competency in the areas of Student Growth and Achievement, Organizational Leadership, District Operations and Financial Management, Communication and Community Relations, Human Resource Management, and Professionalism. The evaluation tool also encourages school boards to work collaboratively with the superintendent to develop annual goals that may be associated with immediate and longer-term strategic planning and district improvement initiatives.

GUIDANCE FOR COMPLETION OF EVALUATION TOOL

Proactively implementing and utilizing a structured evaluation tool such as this promotes a clear line of communication between the CEO and the school board that clarifies expectations while providing for a defensible and clear assessment of overall performance.

This evaluation tool uses the below assessment measures as a basis for indicating the Board's collective impression of the superintendent's performance in the areas of Student Growth and Achievement; Organizational Leadership; District Operations and Financial Management; Communication and Community Relations; Human Resource Management; and Professionalism.

Distinguished	• Performance is clearly outstanding • Performance is superior, far exceeding expectations • Performance is exceptional on a regular or continuous basis – the superintendent far outperforms relative to minimum expectations
Proficient	• Adequately performs all functions within the role, meeting or occasionally exceeding expectations • Performance is adequate, meeting or occasionally exceeding standards or expectations generally associated with performance
Needs Improvement	• Periodically fails to meet expectations associated with assigned tasks, targeted goals, or professional competencies • Performance is less than adequate on a periodic or frequent basis – the superintendent may be developing within the position, but needs to improve to be considered proficient
Failing	• Performance is below acceptable levels • Fails to meet most expectations associated with the role of superintendent – substantial professional improvement is needed before the superintendent can be considered proficient in the role

The Laurel School District Superintendent is evaluated on each of six *Objective Performance Standards*. *Objective Performance Standards* are the basis for the overall performance rating made available to the public at the completion of the performance review. Below each *Objective Performance Standard* are *Key Performance Indicators* that help the Board to assess overall performance in each *Standard*. Under the direction of the Board President, the Board of School Directors will provide the Superintendent midpoint feedback and a collective final evaluation.

ENGAGEMENT AGREEMENT

By signing this Engagement Agreement, Laurel School District [Insert Full Legal Name of Entity] (“**You**” or “**Your**”) agree to retain The Reschini Group (“**Reschini**”) to assist You in the completion of Your reporting requirements mandated by the Patient Protection and Affordable Care Act (the “**ACA**”) as codified in Sections 6055 and 6056 of the Internal Revenue Code (the “**IRC**”). As part of this engagement, Reschini will use the information that it is able to obtain through its databases coupled with the information that You provide to generate and complete Your IRS Forms 1094 and 1095 (collectively the “**Forms**”).

- A. You agree to provide Reschini with any and all information that Reschini reasonably requests by the deadline set for each request, and acknowledge that Your failure to timely respond to any request may delay and/or prohibit Reschini from providing You with copies of the completed Forms, and may prevent Reschini from assisting You in Your compliance with the time frames prescribed by the ACA and/or the IRC.

- B. Reschini will periodically request that You validate the information being reported on the 1094 and 1095 Forms, and You agree to review that information and immediately notify Reschini as soon as practical of any errors, changes, or omissions that must be corrected. You understand and agree that the deadline to remit the 1095 Forms to Your employees is March 2, ***time being of the essence***. You acknowledge that Your failure to validate, review and correct the information may prevent Reschini from assisting You in Your compliance with the requirements of the ACA and/or the IRC.
- C. Based upon the information You provide, Reschini will undertake the mailing of Your 1095 Forms to all individuals for whom a 1095 Form was prepared for You. Reschini will send each 1095 Form to each individual's address that You have independently verified by March 2, or such other and appropriate deadlines as determined from time to time by the ACA and/or the IRC.
- D. Reschini will undertake the filing of Your 1094 and 1095 Forms with the Internal Revenue Service in a timely manner, but in any event, not later than the deadlines set forth by the ACA and/or the IRC. In the event that Reschini is unable to file Your 1094 and 1095 Forms by the deadlines set forth by the ACA and/or the IRC, Reschini will notify You of its inability to file for You and the reasons why, and, upon such notification, the responsibility to file Your 1094 and 1095 Forms with the Internal Revenue Service will be Your responsibility.
- E. You understand and agree that compliance with, and reporting under Sections 6055 and/or 6056 is solely Your responsibility, and that Reschini shall not be liable for any fines, penalties, or other damages that result from incorrect information printed on either the 1094 or 1095 Forms, or from Your failure to fully comply with the terms of the statutes. You agree to indemnify and hold Reschini harmless from and against any action, suit or proceeding arising or resulting from these ACA and IRC obligations, along with any related issues that arise from Reschini's use of outside entities described in paragraph H below, unless You incur any actual damages caused by Reschini's criminal or fraudulent acts, willful misconduct, or gross negligence.
- F. In exchange for Reschini providing this service to You, You agree to pay Reschini \$6.50 per 1095 Form that is completed, with a minimum annual payment of \$500.00.
- G. For self-insured entities, the information needed for these ACA and/or IRC reporting requirements may qualify as "Protected Health Information" and/or "Electronic Protected Health Information" and therefore may fall under the protections of the Health Insurance Portability And Accountability Act of 1996 ("HIPAA") and its related regulations. Accordingly, the exchange of information between You and Reschini will be governed by the Business Associate Agreement existing between You and Reschini. If You are self-insured and have not signed a Business Associate Agreement with Reschini, You will notify Reschini immediately, one will be provided to You, and You will execute and return such Business Associate Agreement to Reschini as soon as practically possible. Reschini will not be able to assist You in any reporting

requirements under this Engagement Agreement without having a signed Business Associate Agreement if You are self-insured.

- H. Reschini may contract with an outside entity to help code, process and print Your forms. In the event that there is an issue of any kind with such outside entity, Reschini will use its best efforts to resolve the issue. Reschini may ask for Your cooperation in addressing any issues that arise and You promise to provide Reschini with whatever applicable information requested in a timely manner. As set forth in Paragraph E above, You agree to indemnify and hold Reschini harmless unless You incur any actual damages caused by Reschini's criminal or fraudulent acts or willful misconduct or gross negligence.
- I. This Engagement Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, without regard to the principals thereof regarding conflict of laws.
- J. Should any provision of this Engagement Agreement or the application thereof to any person, property, or circumstance be determined to any extent by any court to be illegal, invalid, and/or unenforceable, the validity of the remaining parts, terms and provisions of this Engagement Agreement shall not be affected. Each term and provision of this Engagement Agreement shall be valid and enforceable to the fullest extent of the law.
- K. This Engagement Agreement may not be amended, changed or modified in any manner except by an instrument in writing signed by You and Reschini. The failure of You or Reschini to enforce at any time any of the provisions of this Engagement Agreement shall in no way be a waiver of such provision or any way affect the validity of this Engagement Agreement or any part thereof or the right of You or Reschini thereafter to enforce each and any such provision. No waiver of any breach of this Engagement Agreement shall be held to be a waiver of any other breach of this Engagement Agreement.
- L. This Engagement Agreement shall be binding upon and inure to the benefit of the parties hereto, their heirs, successors, assignees, and beneficiaries in interest; provided, however, that this Engagement Agreement may not be assigned by either party without the written consent of the other party.
- M. This Engagement Agreement may be executed in multiple counterparts which, when taken together, shall be considered one instrument.
- N. This Engagement Agreement constitutes the entire agreement between You and Reschini with respect to the subject matter hereof and shall supersede all previous negotiations, commitments or writings with respect to this matter.
- O. You warrant that this Engagement Agreement has been duly and validly executed and constitutes a legal, valid, binding, and voluntary agreement between You and Reschini, enforceable in accordance with its terms.

By signing below, You consent to the terms of this Engagement Agreement and agree to retain Reschini for the purposes stated herein.

Service delivery

As part of the delivery of this Planned Service Agreement, Johnson Controls will dedicate a local customer service agent responsible for having a clear understanding of the agreement scope, and your facility procedures and protocols.

A high-level overview around our service delivery process is outlined below including scheduling, emergency service, on-site paperwork, communication and performing repairs outside of the agreement scope.

Scheduling

Preventative maintenance service will be scheduled using our automated service management system. In advance of the scheduled service visit, our technician is sent a notice of service to a smartphone. Once the technician acknowledges the request, your customer service agent will call or e-mail your on-site contact to let you know the start date and type of service scheduled.

The technician checks in, wears personal protective equipment, performs the task(s) as assigned, checks out with you and asks for a screen capture signature on the smartphone device. A work order is then e-mailed, faxed or printed for your records.

Emergency services

Emergency service can be provided 7 days a week, 24 hours a day, 365 days a year. During normal business hours, emergency service will be coordinated by the customer service agent. After hours, weekends and holidays, the emergency service number transfers to the Johnson Controls after-hours call center and on-call technicians are dispatched as needed.

Johnson Controls is committed to dispatching a technician within hours of receiving your call through the service line. A work order is e-mailed, faxed or printed for your records. Depending on the terms of your agreement, you may incur charges for after-hour services.

Communication

A detailed communication plan will be provided to you so you know how often we will provide information to you regarding your Planned Service Agreement. The communication plan will also provide you with your main contacts at Johnson Controls.

Approval process for non-covered items

Johnson Controls will adhere to your procurement process. No work will be performed outside of the agreement scope without prior approval. Johnson Controls will work with you closely to ensure your procurement process is followed before any non-covered item work is started.

Summary of services and options

Comprehensive and operational inspections

During comprehensive and operational inspections, Johnson Controls will perform routine checks of the equipment for common issues caused by normal wear and tear on the equipment. Additional tests can be run to confirm the equipment's performance.

Routine maintenance, such as lubrication, cleaning and tightening connections, can be performed depending on the type of equipment being serviced. Routine maintenance is one of the keys to the five values of maintenance – it can help identify energy saving opportunities, reduce future repair costs, extend asset life, ensure productive environments, and promote health and safety.

Customer Portal / Service Information Access

The Johnson Controls customer portal is the online gateway to easily access various elements of your service information. This real-time, self-service mechanism is just one more way for you to stay in touch with our service within your facilities. Using the internet, you can view service call history by location, monitor agreements, as well as view asset and invoice information.

Thank you for considering Johnson Controls as your building technology services partner. The following agreement document includes all the details surrounding your Planned Service Agreement.

Johnson Controls Standard Service Terms: One PSA

Terms

These terms cover the services and equipment provided by Johnson Controls. This Agreement includes the proposal, these terms and any referenced links. Conflicts are resolved in that order.

Scope of Work

We will provide the services or equipment described in the proposal. If the services include planned maintenance of equipment, only the equipment set forth in our proposal is covered by our services ("**Covered Equipment**"). Unless otherwise agreed in the proposal, services are performed during our normal working hours, excluding holidays. We reserve the right to modify or substitute materials.

Payment Terms

Services fees are paid annually in advance due 30 days from the invoice date via EFT/ACH, unless stated otherwise. Payment is required before services are performed or equipment is ordered or installed. Failure to pay on time is a breach that permits us to suspend or delay services until full payment is received, without liability, or to terminate this Agreement. Interest may also be charged on unpaid amounts at the lesser of 1.5% per month (19.56% annually) or the highest rate permitted by law. If you require a purchase order to process payments, you must send it to us at least 30 days before the end of a term but you must pay invoices even without a purchase order. No purchase order is required for any emergency services you request.

Prices

Prices do not cover taxes, fees, duties, tariffs, permits and levies or other charges imposed and/or enacted by a government. You are responsible for these items unless you provide an acceptable exemption certificate. If we need to pay any of these items or the exemption certificate is invalid or only covers some of these items, you must reimburse us on demand for the amounts owing. Prices may be adjusted at any time to reflect changes in costs, labor or market conditions. We will try to notify you of any changes in pricing in advance. Additional charges will be required for: (i) changes to these services or the Covered Equipment; (ii) additional services or equipment; (iii) unexpected site conditions or issues with the Covered Equipment; (iv) appointments that are cancelled less than 24 hours beforehand or for service, warranty or alarm calls caused by your error; (v) changes required to comply with laws, codes and regulations ("**Laws**"), including prevailing wage laws; and (vi) costs to notify and dispatch emergency personnel. We may change prices on equipment or parts prior to shipment or installation to reflect increases in costs from raw materials, third party products, any new or additional tariffs, duties, quotas, taxes, the withdrawal of trade agreement concessions or any unforeseen or other extra cost elements.

Limited Warranty

We warrant that services will be performed in a good and workmanlike manner for 90 days from the date of performance. Equipment we provide is also warranted to be free from defect in materials and workmanship for 90 days from installation. No warranty is provided for third-party equipment we install or furnish. Third-party HVAC and controls equipment is provided with the third-party manufacturer's warranty to the extent available. This limited warranty does not cover failures, defects, or damages caused in whole or in part by: (i) misuse, neglect, accident, Force Majeure, changes to your premises, or installation, maintenance or repairs not performed by us; (ii) environmental, electrical or other causes beyond our control; (iii) normal wear and tear or corrosion; (iv) use of unauthorized replacement parts or products or using the equipment for purposes not intended by the manufacturer; or (vi) issues arising from your failure to comply with this Agreement or your obligations. To qualify for warranty consideration, you must notify us in writing of your warranty claim prior to the end of the warranty period, complete all instructions on warranty procedures and provide us with reasonable site access to inspect the equipment and/or perform any

necessary warranty work. Your sole remedy is to have defective services re-performed or equipment repaired or replaced at our election. **THESE WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.** You need to determine if our equipment are suitable for your use. You assume all risk and liability from their application and your use.

Warranty service does not cover: (i) system upgrades and replacing obsolete systems, equipment, or consumable parts and components ; (ii) reloading, updating, or maintaining software; (iii) additional costs for access, deinstallation, re-installation and transportation; and (iv) the exclusions set out in the Supplemental Terms. If you call us for warranty service and the problem is due to any of these reasons, we may charge you for the service call even if we do not work on the equipment. We may offer these services at an extra cost.

Customer Obligations

You must provide all relevant information about the equipment and premises, follow all applicable Laws and ensure us safe access. You must operate, test, maintain, and repair the equipment according to manufacturer and our recommendations and notify us immediately of any issues.

In addition, you agree to, (i) obtain necessary licenses and permits and pay related fees and taxes; (ii) provide a suitable environment for the equipment as recommended by us or the manufacturer including heat to avoid freezing; (iii) supply the necessary electrical service, power, heat, heat tracing, water and schematics ; (iv) provide proper water treatment for condensers, cooling towers, and boilers, and protect against environmental issues; (v) set and test alarm systems as recommended by us or the manufacturer; (vi) avoid causing false alarms and reimburse us for any fines or fees; (vii) notify all necessary parties, such as local authorities and monitoring providers, about system testing or repairs; (viii) keep accurate and up-to-date work logs for the equipment; and (ix) take precautions for Covered Equipment failure to prevent injury or property damage. If you do not meet any of these obligations, we are not responsible for equipment breakdowns, repairs, or replacements. We can suspend services until these issues are fixed and charge for any corrective work needed.

For equipment connected to your computer network, we provide and install the software to run the equipment and connect to it based on the network settings you provide. You must provide us with secure access to your computer network as required in our specifications. If we cannot connect to the network or need extra equipment for connectivity, additional charges may apply. Our services do not include changes to the network, security, or firewall settings. You are solely responsible to protect your data, computer network, and products networked or connected to the Internet; and we are not responsible for any loss or damage, as allowed by Law. You should back up data and software before services are performed. You must promptly remove any devices that interfere with the operation of the Covered Equipment.

Insurance

We do not guarantee that services or equipment will prevent risk of loss at your premises or detect all events. You are responsible for any losses and need to rely on your own insurance. You release and waive for yourself and your insurer all subrogation and other rights to recover from us.

Limitations on Liability

Neither we or our suppliers or vendors ("JCI Parties") are liable for special, incidental, consequential, punitive or indirect damages, or for lost profits, revenue, data or business interruption. The total liability of the JCI Parties is limited to \$250,000 or 12 months of fees paid to Johnson Controls under this Agreement, whichever is less.

Claims Limitation; Forum; Choice of Law

Disputes may be resolved in court or through arbitration, as determined exclusively by us. Delaware law governs any agreement performed in the U.S., with disputes resolved in Milwaukee, Wisconsin. Ontario law governs any agreement performed in Canada, with disputes resolved in Ontario. Any claims by you must be brought within one year. The parties waive their right to a jury trial.

Term and Termination

The term of this Agreement is set out in the proposal and renews automatically for successive terms equal to the length of the original term unless either party gives 60 days' prior written notice of termination to the other party before the end of a term or the parties agree in writing on a different length of renewal term. Either party can terminate for cause with 10 days' notice, but only after written notice the defaulting party has 30 days to cure any alleged default. We can terminate immediately if we can no longer service the Covered Equipment for whatever reason including if we stop selling the Covered Equipment, providing the services or if we cannot obtain equipment, parts or support the technologies. We can terminate this Agreement without cause with 60 days' written notice. Upon termination, you must pay all amounts owed and provide access for us to remove any of our property at your premises and reprogram systems. You are responsible for our costs to enforce this. If you end this Agreement early for any reason, you must also pay us 50% of the service charges for the remaining term of this Agreement. You are responsible for our costs to enforce this.

Access and Hazardous Materials

You must provide us with reasonable and safe access to the Covered Equipment. We will follow our health and safety policies and applicable Laws. You must inform us of any hazardous conditions or materials (e.g., mold, asbestos containing materials, biohazards) and you are responsible for resolving, removing and disposal. If we encounter hazardous conditions or materials, we may stop work without liability and you are required to provide us reasonable evidence of abatement before we will restart work. Additional charges will apply if access to a confined space is required.

Force Majeure

We are not in breach or liable for any delays or failures caused, in whole or in part, by any events beyond our control, such as natural disasters, severe weather, public health risks, government actions, cyberattacks, civil disturbances, labor disputes, strikes or shortages of parts or materials ("Force Majeure"). You must allow us additional time to perform the services and reimburse us for increased costs due to such events.

Data and Intellectual Property; Digitally Enabled Services

You own your data, but we may use it to perform services and you grant us a perpetual, worldwide, irrevocable, royalty free license to use your building data on a de-identified basis. We retain rights to any intellectual property created. Digital enabled services mean services provided under this Agreement that employ our software and cloud-hosted software offerings and tools. They may include, but are not limited to, (i) remote inspection, (ii) advanced equipment fault detection and diagnostics, and (iii) data dashboarding and health reporting. Digital enabled services may require data collection, and you consent to this.

Software-Digital Solutions

Use of our software, including software to provide digital enabled services and solutions, is governed by our standard terms at <https://www.johnsoncontrols.com/techterms>. These terms apply to the software you are allowed to use, but we retain ownership and rights to the software, including improvements. If provided as part of our services, third-party software is subject to its own terms.

Privacy

If provided to us, we will process personal data according to our Data Processing Agreement at www.johnsoncontrols.com/dpa and adhere to our privacy notice at <https://www.johnsoncontrols.com/privacy>. You consent to this processing and will ensure all necessary consents are obtained.

Miscellaneous

Notices must be in writing. This Agreement cannot be assigned without our consent; any assignment without our consent is void. We can assign this Agreement, in whole or in part, or subcontract the work, without notice. Invalid, illegal or unenforceable provisions do not affect the rest of this Agreement. This Agreement is subject to specific supplemental terms located at www.johnsoncontrols.com/legal/one-psa-supplemental-terms. In addition, if you

request us to perform any work outside the scope of this Agreement, you consent to it being performed subject to our standard customer terms then in effect at www.johnsoncontrols.com/customerterms. Dear Mrs. Columbus,

Please relay to the school board the following information about our Galápagos 2027 tour.

- The Galápagos 2027 tour to Ecuador and the islands will relate to the teaching of Spanish since Ecuador is a Spanish-speaking country.
- The cost of the tour is covered by the family of the student attending. Monthly payments are made to EF (Education First) and there are plenty of fundraising opportunities. Each student has access to their account for the purpose of keeping up on payments, passport submission, etc.
- Written information will be prepared and distributed to all students and parents. This will be passed out to students in all Spanish classes on **Sept. 8th.**
- Several parent meetings will be held prior to departure. The last enrollment meeting will be **Sept. 16th** at 6 PM in room 206.
- Chaperones are included in our count, and must obtain a background check through EF, next spring. All adults attending are 'chaperones' and have been made aware of this requirement.
- Supervision requirements will include at least the following:
 - Chaperones will attend pre-departure meetings and be aware of the 'Rules of the Road'
 - When we land, we meet our Tour Director in the airport, and they will give directions to students and chaperones.

- All accommodations on the field trip will NOT be the same for students and adults. This is due to EF requirements for 4 students to a room, and 2 adults to a room.
- Chaperones will be housed in the same area with the students.
- Packing lists are provided to families in advance, to ensure plenty of time to acquire all needed items.
- Peace of Mind Program: We understand that plans can change due to unforeseen circumstances. EF provides an exclusive Peace of Mind program to account for such situations. This program is automatically included for all travelers and can be enacted at the group level for any reason, including terrorism, pandemics, or other world events.

If you have any questions, please don't hesitate to ask.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Ernst". The signature is fluid and cursive, with the first name "Elizabeth" and the last name "Ernst" clearly distinguishable.

Rules of the Road

Lea este artículo en español

When travelers enroll on tour, they agree to EF's Rules of the Road. If travelers do not conform to these regulations or any specific rules set by their Group Leader, they risk dismissal from the tour, returning home at their own expense with no refund for the missed tour portion. Decisions regarding tour dismissal are up to EF and/or the Group Leader.

All scheduled activities are obligatory. If any traveler is sick or has a physical ailment that might prevent them from participating in an activity, they must tell the Group Leader, who will notify the Tour Director.

If any traveler wants to visit friends or relatives in a destination country or region, the Group Leader must be told before the tour begins. The traveler must complete the Tour Leave Form to receive permission for the visit. The traveler must then give the form to the group's Tour Director upon arrival.

Travelers are expected to respect the nightly curfew that the Group Leader may set for their own safety and security. Room checks will be conducted at the Group Leader's discretion. Visitors or group members of the opposite sex are not permitted in travelers' room.

Smoking / Vaping / Drinking / Illicit Drugs are not allowed on buses, during meals, in hotel rooms or in any other shared, enclosed space.

Hitchhiking and the driving or renting of any motor vehicle is strictly forbidden for all travelers.

Travelers are required to pay for any phone calls or incidental personal expenses incurred at hotels. These will be payable the evening before departure at each hotel.

Travelers under the age of 18 may not consume alcohol on tour. Travelers over the age of 18 (or older, if local laws require) may consume beer or wine in moderation. The consumption of hard liquor is strictly forbidden. Group Leaders and/or parents may prohibit all alcohol consumption at their discretion. Excessive drinking by any traveler will not be tolerated and will result in dismissal from the tour at the traveler's own expense.

Illegal activities will not be tolerated and are punishable by immediate dismissal from the tour. If travelers are involved in any illegal activities, all costs to return home are at their expense. If the local authorities are involved, travelers will be subject to the laws of the destination you are visiting.

Payment for damage done to hotel rooms or to buses is your responsibility. If you notice any damage upon arrival at a hotel, you should notify the Tour Director immediately. If travelers do not

conform to these regulations or any specific rules set by their Group Leader, they risk dismissal from the tour--returning home at their expense with no refund for the missed tour portion. Decisions regarding tour dismissal are up to EF and/or their Group Leader.

EF is committed to creating a safe and comfortable environment for all travelers, and diversity, equity and inclusion are an integral part of our mission to break down barriers through educational travel. Harassment, bullying or discrimination aimed at other travelers, suppliers or staff on the basis of gender identity, age, sexual orientation, disability, physical appearance, race, ethnicity, religion or any other factor will not be tolerated and may result in a participant's dismissal from tour.
