Financial Update

September 15, 2026

Budget Status - Year to Year

2025-2026

Closing out the year

Finalizing administrative wrap-ups and securing financial records.

Auditing Schedule

Auditors are scheduled to begin review on **Sept. 28, 2026**.

2026-2027

Current Budget

Actively working within the approved current year budget framework.

Expenditures

Carefully reviewing all school purchasing and ongoing expenditures.

Community Sales

Closely monitoring the new 55+ community home sales.

2027-2028

Act I Index

The new Act I Index rate has been officially released for planning.

Special Ed Exception

Evaluating potential Special Education exceptions for further funding.

2025-2026

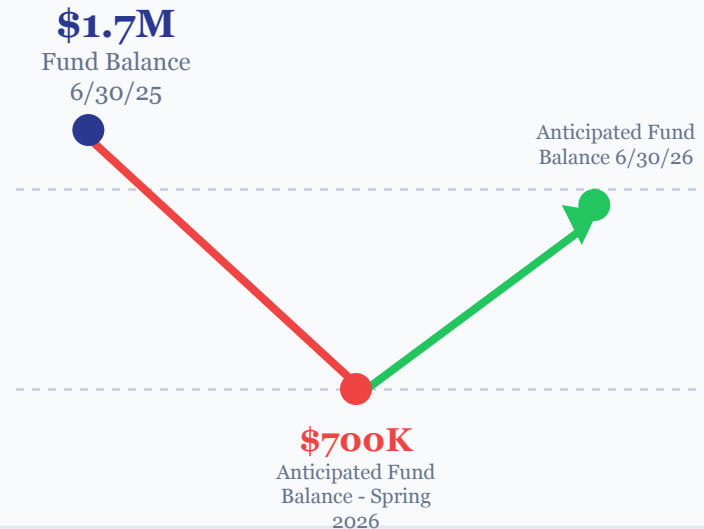

Projected Shortfall In the Spring of 2026 we projected a \$700,000+ revenue shortfall due to lagging home sales in the new 55+ development.

Tax Impact This lag resulted in lower than budgeted interim taxes and transfer taxes for the 2025-26 year.

District Response As a district we restricted spending to necessities and actively sought other revenue streams to successfully offset the shortfall.

Audit Timeline Auditors will be in later this month to review our financial statements for the 2025-26 fiscal year.

2025-2026 Revenue & Recovery Plan

2026-2027

Supply Orders

Summer orders processed - new general supplies procedures were successful.

Budget Monitoring

Monitoring all expenditures to ensure we remain as close to or under budget as possible.

Home Sales

Monitor 55+ development home sales during the year. We budgeted for half of the remaining homes @ June 2026 to be sold in 2026-27. This would equate to an average of 5 per month. To date we are on pace.

2027-2028 Fiscal Planning

Act I Index Rate

Official rate released

3.6%

▲ Higher than Projected

Act I Index

The official Act I Index has been released at 3.6% for the 2027-2028 fiscal year.

Projected Impact

This rate is higher than projected. This, along with the increase in the District's total assessment, will assist in rebuilding the fund balance and rebounding from our bond rating downgrade.

Special Ed Exception

A special education exception may be available to the district for 2027-2028, offering further financial assistance.

Financial Roadmap: Lower Moreland Township School District

From a 2025-2026 revenue gap to a 2027-2028 recovery plan supported by higher-than-projected tax index rates.

Recovery & Stabilization (2025-2027)

Managing a \$700,000+ Shortfall

Lagging 55+ community home sales in 2025-26 created an immediate revenue gap.

Strategic Spending Restrictions

The district successfully offset the shortfall by restricting spending to absolute necessities and utilizing additional revenue streams.

Home Sales Back on Pace

Sales are now meeting the target of five homes per month.

Fiscal Planning & Growth (2027-2028)

3.6% Act I Index Rate

The official rate is higher than projected, accelerating fund balance rebuilding.

Rebounding Bond Ratings

Increased assessments and index rates will help the district rebound from its bond downgrade.

Special Education Exception

Potential for further financial assistance through special education funding exceptions.

RE: Insurance Coverage for Representative Guent
Spring 2027 Shred and E-Waste event at Lower Moreland High School Parking Lot
Saturday, April 24, 2027 from 9am-12:30pm.

To Whom It May Concern:

The Commonwealth of Pennsylvania does not have a commercial insurance policy to generate the standardized certificate of liability insurance form. As a self-insured governmental unit, the Commonwealth is submitting this letter to fulfill the requirements of your agreement. Because our liability coverage is governed by the Act, we do not have the option to list entities as an additional insured. However, it is the intent of the Commonwealth to respond to the fullest extent of the Act to any claims arising out any claims presented.

The Commonwealth's exposure to liability (other than Workers' Compensation Liability) is governed by the dictates of Act 152, as amended by Act 142 of 1980, commonly known as the Sovereign Immunity Tort Claims Act. Under this Act, sovereign immunity was reaffirmed but waived in ten (10) specific areas of liability. In accordance with Section 8528 of the statute (see attached) eligible claims or suits against the Commonwealth, its officials or employees within the waived areas may be settled up to \$250,000.00 per person; \$1 million each occurrence. These limits have been affirmed by the Pennsylvania Supreme Court.

The Commonwealth has established a Tort Claims Self-Insurance Program to handle these claims or suits, which is administered by the Bureau of Finance and Risk Management, Department of General Services in close relationship with the Office of Attorney General. There is no policy number assigned to the "Tort Claims General Self Insurance Program".

This coverage applies to all Commonwealth departments, officials and employees while performing Commonwealth activities. The coverage is in effect whenever and wherever the Commonwealth is conducting business.

Additionally, the Commonwealth of Pennsylvania is certified as a qualified self-insurer under the Pennsylvania Motor Vehicle Financial Responsibility Act and the Workers' Compensation Act providing the appropriate benefits required as a self-insurer.

If you have any questions regarding the Commonwealth's Self-Insurance Program, please feel free to contact me at the phone number or address indicated below.

Respectfully,

Kristina M. Landvater, Director
Bureau of Finance & Risk Management

TUTORING SERVICES AGREEMENT

THIS TUTORING SERVICES AGREEMENT (hereinafter referred to as the "Agreement") is made and entered into this 12th day of July, 2026 ("Agreement Date") by and between Team Tutor, LLC (hereinafter referred to as "TT"), and Lower Moreland School District (hereinafter referred to as "LMSD") (individually "Party" and collectively "Parties") for tutoring services provided during the 2026-2027 School Year and any applicable Extended School Year ("ESY") services occurring during the term of this Agreement ("Tutoring Services").

1. SERVICES:

a. TT shall assign Tutors to provide the Tutoring Services to students, all of whom are to be identified by LMSD. Unless the Parties otherwise agree, TT agrees to have a student to tutor ratio of 1:1 for each tutoring session.

b. TT shall provide online and/or in-person Tutoring Services, as mutually agreed upon by LMSD and TT. TT's Tutoring Services schedule shall be determined by LMSD and TT, or on an as-needed basis.

c. TT shall customize the Tutoring Services to suit the academic needs of each student.

d. Tutor Assignment: TT reserves the right to assign, replace, or reassign Tutors providing services under this Agreement based on availability, qualifications, scheduling requirements, or other operational considerations. TT will make reasonable efforts to provide notice of any Tutor reassignment and, when appropriate, provide a replacement Tutor with comparable qualifications.

2. CLIENT RESPONSIBILITIES:

a. Before the commencement of the Tutoring Services, LMSD shall provide TT with each student's data. TT shall keep all student data confidential at all times and TT shall abide by the requirements of the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g.

b. LMSD shall permit, and facilitate, TT's representatives to speak with each student's teacher(s) for the purpose of discussing the student's academic needs.

c. LMSD represents and warrants that it has the authority to provide student educational records and information to TT for purposes of providing Tutoring Services and has obtained all necessary permissions, consents, and authorizations required under applicable law.

3. FEE SCHEDULE & BILLING POLICY:

a. The hourly rates for Tutoring Services are set forth in Exhibit A. The rates contained in Exhibit A shall remain fixed throughout the term of this Agreement.

b. Rates may be adjusted for future renewal periods. TT shall provide LMSD with written notice of any rate changes no less than sixty (60) days prior to the commencement of a renewal term.

c. Any continuation of services beyond the term of this Agreement shall be subject to TT's then-current pricing and service terms unless otherwise agreed upon in writing by the Parties.

Payment Schedule

- a. LMSD will purchase tutoring hours either by (1) pre-selected total hours of tutoring services; or (2) LMSD will purchase sessions on an as-needed basis.
- b. TT shall invoice LMSD twice monthly, on or about the 1st and 15th day of each month, for Tutoring Services rendered during the applicable billing period. Each invoice shall constitute a separate obligation with its own Due Date and late payment timeline as set forth below, independent of any other invoice issued under this Agreement.
- c. LMSD shall pay TT for each invoice within fifteen (15) days of receipt (the "Due Date"); payments shall be in the form of a check, credit card, certified money order, or ACH transfer.
- d. LMSD shall designate an individual to whom invoices shall be directed, subject to change upon written notice to TT. Until such notice is provided, invoices shall be directed to the individual identified in the "Bills To Be Sent To" section of this Agreement.

Billing Increments: Tutoring Services shall be billed in increments of one (1) hour unless otherwise agreed upon in writing by TT. Any scheduled tutoring session that begins but cannot be completed due to circumstances outside of TT's control shall remain billable.

Late Payments

Any invoice not paid in full by its Due Date shall be considered late. TT will provide written notice of non-payment to LMSD's designated billing contact on or about the 16th day following that invoice's Due Date, referencing the specific invoice(s) at issue.

1. If payment on the applicable invoice is not received within five (5) business days of such notice, a late fee of 1.5% per month shall accrue on that invoice's outstanding balance and continue to accrue monthly until the balance is paid in full.
2. If payment on the applicable invoice is not received within fifteen (15) days after such notice, TT may suspend any or all Tutoring Services until all outstanding balances are paid in full. TT shall not be responsible for delays in services, staffing availability, or scheduling changes resulting from such suspension. Suspension of Services does not relieve LMSD of any payment obligations already accrued, on that invoice or any other.
3. Any payment returned for insufficient funds or otherwise dishonored shall incur a fee of \$35 in addition to any late fees accrued, and TT reserves the right to require that future payments be made by certified check or money order.

4. Collection Costs. LMSD shall be responsible for all reasonable costs incurred by TT in collecting past due amounts, including collection agency fees, court costs, and reasonable attorneys' fees to the extent permitted by applicable law.
5. **Purchase Orders.** If LMSD requires a purchase order or other internal authorization for payment, LMSD shall obtain such authorization prior to the commencement of services. Failure to issue or provide a purchase order shall not relieve LMSD of its obligation to pay for authorized Tutoring Services rendered under this Agreement.

Cancellation & Missed Session Policy:

- a. Cancellations made with less than 2 hours' notice will be billed at the full tutoring rate for the scheduled session.
- b. Missed sessions without prior notice will be billed at 100% of the agreed upon tutoring rate.
- c. School closures, student absences, testing schedules, assemblies, field trips, transportation issues, scheduling conflicts, or other circumstances within LMSD's control shall not relieve LMSD of payment obligations unless otherwise agreed upon in writing by TT.

4. CONTINGENCIES

- a. This Agreement is contingent upon TT's provision to LMSD of the following documentation for all employees, subcontractors, and agents of TT who will be performing services for LMSD involving direct contact with children pursuant to this Agreement: satisfactory state and federal reports of such individuals' criminal history record information and all other information as required by 24 P.S. § 1-111 and 24 P.S. § 1-111.1; and satisfactory official clearance statements, on behalf of such individuals and regarding child injury or abuse as required by 23 Pa.C.S. § 6354, *et seq.*

5. TERM:

- a. This Agreement shall be effective as of the Agreement Date and shall continue through the end of the School Year and ESY period identified above, unless terminated earlier as provided herein.
- b. TT may terminate this Agreement upon written notice if LMSD fails to cure a payment default with respect to any invoice in accordance with the Late Payments provisions of Section 3, or if LMSD is late in payment on more than two (2) invoices in any rolling three (3)-month period, notwithstanding subsequent cure of each individual instance.
- c. **Early Termination.** Either Party may terminate this Agreement without cause upon sixty (60) days' prior written notice to the other Party. LMSD shall remain responsible for payment in full for all Tutoring Services rendered through the effective date of termination, including any sessions scheduled and not cancelled in accordance with the Cancellation & Missed Session Policy in Section 3.

If LMSD terminates this Agreement without providing the required sixty (60) days' prior written notice, LMSD shall pay TT an early termination fee equal to the average amount invoiced during the two (2) most recent billing periods immediately preceding the notice of termination, in addition to all amounts owed for Services already rendered.

d. LMSD agrees that during the term of this Agreement and for a period of **two years** following the date of termination of it, regardless of the cause of termination or the duration of the term, LMSD shall not, directly or indirectly, hire, recruit, engage, contract with, solicit, or attempt to hire, recruit, engage, or contract with, for the benefit of LMSD or any third-party, any TT Tutor, independent contractor, agent **or** employee of TT. If, during the term of the Agreement, LMSD violates this provision, TT shall have the right to immediately terminate this Agreement and any outstanding fees owed to TT for services rendered through the date of termination shall be due and payable within ten (10) days of such termination.

6. **FORCE MAJEURE:**

Neither party shall be liable for any failure or delay in performance under this Agreement to the extent such failure or delay is caused by circumstances beyond its reasonable control, including but not limited to: acts of God, natural disasters, severe weather, fire, flood, pandemic or public health emergency, government order or mandated closure, labor disputes, war or civil unrest, utility or infrastructure failure, internet or power outages, or failure of third-party platforms or communication systems used to deliver services (collectively, "Force Majeure Events").

Force Majeure Events may affect either in-person or online service delivery, or both. In the event a Force Majeure Event prevents delivery of services through the originally scheduled mode (in-person or online), Team Tutor will make reasonable efforts to deliver services through an alternate mode where feasible and safe to do so. A session shall be deemed excused, and subject to rescheduling or billing adjustment as set forth in this Agreement, only where the Force Majeure Event prevents delivery through both in-person and online means, or where no reasonable alternate mode is available to either party.

Neither party shall be entitled to terminate this Agreement solely due to a Force Majeure Event unless such event continues for a period exceeding 14 consecutive days, in which case either party may terminate upon written notice without further liability, except for amounts owed for services already rendered.

.

General Provisions:

1. This Agreement shall be construed under the law, statutes and regulations of the State of Pennsylvania, without regard for its conflict of law principles.
2. To the maximum extent permitted by applicable law, TT's total liability arising out of or related to this Agreement, whether in contract, tort, or otherwise, shall not exceed the total amount of fees paid by LMSD to TT under this Agreement during the six (6) months immediately preceding the event giving rise to the claim.
3. TT shall not be liable for any indirect, incidental, consequential, special, punitive, or lost revenue damages.
4. Except as otherwise set forth herein, this Agreement constitutes the entire agreement of the parties and supersedes any negotiations or prior agreements or understandings of the parties. This Agreement may only be modified by a written agreement properly signed by a duly authorized representative of LMSD and TT.
5. Should any provision of this Agreement be deemed void or unenforceable, such void or unenforceable provision will be construed to reflect as nearly as possible the original intentions of the Parties in accordance with applicable law, and the remaining provisions will remain unchanged and in full force and effect.
6. TT and LMSD hereby acknowledge that their relationship is that of an independent contractor and not that of an employee-employer, agency, joint venture or partnership.
7. This Agreement may be signed in any number of counterparts. This Agreement may be executed in counterparts and by electronic signature, including PDF, DocuSign, Adobe Sign, or other electronic signature platform. Electronic signatures shall be deemed original signatures and shall have the same legal effect as handwritten signatures.
8. Each Party acknowledges that it has had the opportunity to seek the advice of independent legal counsel, has read and understands all of the terms and conditions of this Agreement and has participated in the preparation of this Agreement.
9. The Parties agree to cooperate in good faith, using their best efforts to perform all of their obligations under this Agreement.
10. Except as may be set forth in this Agreement, TT and LMSD agree that each is solely responsible for all costs and expenses incurred by it to perform its obligations hereunder.
11. Except as may be agreed to in this Agreement, nothing in this Agreement shall be enforceable by any party other than those herein and no third party beneficiary rights are conferred on any third party.
12. LMSD agrees to indemnify, defend, and hold harmless TT, its officers, owners, employees, contractors, and agents from any claims, damages, liabilities, costs, or expenses arising out of LMSD's acts, omissions, or breach of this Agreement. Nothing herein shall require LMSD to indemnify TT for TT's sole negligence or willful misconduct.
13. Failure of LMSD or TT at any time to require performance of any provision, including the payment terms, shall not be construed to be a waiver of the right to claim a breach of that provision at a later time or a breach of any other provision by the other party. No party will be deemed to waive any right(s) unless the waiver is in writing and signed by the party who is waiving its right(s).

14. All provisions and sections of this Agreement that by their nature and/or content are intended to survive termination or expiration hereof shall so survive.

IN WITNESS WHEREOF, the Parties have signed and dated this Agreement on the date(s) reflected below and have thereby indicated their agreement to the terms and conditions set forth above and their intention to be legally bound by them.
