MAX	100.000%	\$7,510.53	MAX Account

Index

Cost is comprised of the total amount you paid for the investment (including any fees and commissions) plus any reinvested dividends.

Rate is the average monthly yield for pool investments or the rate on the last business day of the month for SDA investments or the yield to maturity or yield to worst for fixed term investments.

Face/Par/Shares is the amount received at maturity for fixed rate investments or the balance at statement date for pool investments.

Market Value reflects the market value as reported by an independent third-party pricing service. Certificates of Deposit and other assets for which market pricing is not readily available from a third-party pricing service are listed at "Cost" for fixed term investments or the balance at statement date for pool investments.

PSDLAF MONTHLY STATEMENT DISCLAIMER

Securities and municipal advisory brokerage services (investments purchased with proceeds from a municipal securities issuance), and investments cleared through our clearing firm, Pershing LLC, are offered through PMA Securities, LLC, a broker-dealer and municipal advisor registered with the SEC and MSRB, and a member of FINRA and SIPC. All other products and brokerage services are generally provided by PMA Financial Network, LLC. Thus, certificates of deposit ("CD"), savings deposit accounts ("SDA") and commercial paper ("CP") may be executed through either PMA entity, as applicable, depending on whether the investment was purchased with proceeds derived from the issuance of municipal securities. PMA Securities, LLC and PMA Financial Network, LLC are operated under common ownership and are affiliated with PMA Asset Management, LLC.

Fixed Rate Investment Activity

This section shows all of the fixed term investments purchased and sold, maturities, interest received, and activity. This will include all Full Flex CD Pools, Certificates of Deposit, Savings Deposit Accounts, securities and money market funds purchased through PMA Financial Network, LLC or PMA Securities, LLC as applicable. It also shows the approximate market value of each security and DTC CD whose price is obtained from an independent source believed to be reliable. However, PMA cannot guarantee their accuracy. This data is provided for informational purposes only. Listed values should not be interpreted as an offer to buy or sell at a specific price. Other CDs and CP are listed at their original cost. Redemption of a CD prior to maturity may result in early withdrawal penalties. Market values are based on the last day of the month for which this report date range is ending. If the run date of this report is prior to the end of the current month, the market values are listed as equivalent to the cost values.

PSDLAF Activity

This section shows all of the client's transactions in PSDLAF. The Average Rate represents the average net interest rate over the previous month which is then annualized. Information regarding the PSDLAF investment objectives, risks, charges and expenses can be found in the PSDLAF Information Statement, which can be obtained at www.PSDLAF.org or by calling PMA at the phone number listed. An investment in any series of PSDLAF is not a deposit of any bank, and is neither insured nor guaranteed by the Federal Deposit Insurance Corporation, the U.S. Government, any state governmental agency or PSDLAF. Investors could lose money investing in any series of PSDLAF, and there can be no assurance that any series of PSDLAF that seeks to maintain a stable net asset value of \$1.00 per share will be able to do so.

Money Market Fund

The Rate shown for the money market fund represents the average net interest rate over the previous month which is then annualized. Information regarding the money market fund's investment objectives, risks, charges and expenses can be found in the money market fund's prospectus, which can be obtained by calling PMA at the phone numbers listed. The performance data featured represents past performance, which is no guarantee of future results. Investment returns will fluctuate. Current performance may be higher or lower than the performance data quoted. Please call PMA for the most recent performance figures. The performance data featured represents past performance, which is no guarantee of future results. Investment returns will fluctuate. Current performance may be higher or lower than the performance data quoted. Please call PMA for the most recent performance figures.

Insured Cash Sweep Activity

Insured Cash Sweep (ICS) is an insured money market deposit account. ICS money balances are recorded under the "relationship bank" as shown above. The individual reciprocating banks in which your funds are placed will not be identified on the confirmation as they may change daily. A list of individual reciprocating banks will be provided upon request. PMA monitors investment balances placed through the PMA Network. Any investment activity outside the PMA Network while using ICS may result in placements in excess of FDIC insured limits. ICS investments are limited to clients of PMA whose investments (excluding the client's local bank) are fully managed by PMA and utilize the PMA Network. If you make or intend to make investments outside the PMA Network, you are not eligible for this program and should advise PMA immediately. Prior to investing outside the PMA Network, ICS investments must be liquidated to prevent placements in excess of FDIC insured limits.

Additional Disclosures

All funds, and/or securities are located and safe kept in an account under the client's name at their custodial bank. Any certificates of deposit listed are located in the client's name at the respective bank. Any money market fund shares are held directly with the money market fund. It is recommended that any oral communications be re-confirmed in writing to further protect your rights, including rights under the Securities Investor Protection Act.

Debt Securities

Some debt securities are subject to redemption prior to maturity. In the event of a partial or whole call of a security, the securities call will be automatically selected on a random basis as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the total holdings. Redemption prior to maturity could affect the yield represented. Additional information is available upon request.

A financial statement of PMA Securities, LLC is available for inspection at its office or a copy will be mailed to you upon written request.

PLEASE ADVISE PMA AND OUR CLEARING FIRM, PERSHING LLC, IMMEDIATELY OF ANY INACCURACY OR DISCREPANCY ON YOUR STATEMENT. FOR A CHANGE OF ADDRESS OR QUESTIONS REGARDING YOUR ACCOUNT, PLEASE NOTIFY YOUR PMA REPRESENTATIVE. ANY ORAL COMMUNICATIONS SHOULD BE RE-CONFIRMED IN WRITING.
